

ROTARY FOUNDATION CODE OF POLICIES

June 2023

(Containing Trustee Decisions Through April 2023)

PREFACE

The Rotary Foundation Code of Policies

The purpose of the Code is to place all general and permanent policies of the Trustees of The Rotary Foundation that are currently in effect into an integrated and comprehensive volume with the topics arranged in logical order and with consistent language. The existence of such a code will make it easier for members of the Board of Trustees, and those charged with the responsibility to administer the policies, to be familiar with all general and permanent policies currently in force, regardless of the dates of their adoption.

ARRANGEMENT

Each chapter in the Code is intended to represent a separate subject, and each article is intended to represent a separate topic, as indicated by the titles. The chapters are numbered consecutively and are arranged in logical order for easy reference. A listing of the articles within the chapters is shown at the beginning of each chapter, and a listing of the sections within the articles is shown at the beginning of each article. If new articles become necessary between the issuance of revised editions of the Code, then such articles may be inserted in the appropriate location with an "A" following the number of the new article. For example, "Article 22A" may be added between Article 22 and Article 23.

NUMBERING

The Code utilizes the numbering system used in the Rotary Code of Policies and RI Bylaws, and the sections are numbered progressively with Arabic numerals. A progressive rather than consecutive system is used in order to provide space for the insertion of additional sections within the articles to accommodate new policies in the future. Generally, the sections are numbered progressively by tens. For example, in Article 5 the first three sections are numbered 5.010, 5.020, and 5.030. New sections, as necessary, may be inserted between existing sections without changing any of the current numbers. For example, a new section between 5.010 and 5.020 could be 5.015 or any other number between 5.010 and 5.020, which illustrates the flexibility in the general numbering system.

Each section number also carries the number of the article in which it is found. The article number and the section number are separated by a decimal point. When it is recognized that the number to the left of the decimal point is the article number, and the number to the right of the decimal point is the section number within that article, the system is easily comprehended and utilized. For example, Section 7.050 means Section 50 in Article 7.

ANNOTATIONS

Annotations for development of the various sections of the Code are shown at the end of the sections. Initially, all of the sections showed an adoption date of April 126, 2000, which is noted as “April 2000 Trustees Mtg., Dec. 126.” As the policies are amended, the sections will show the dates and decision numbers of the applicable amendments. For example, if a section is amended by Trustee Decision 50 in October 2000, the following notation will appear at the end of the amended section: “April 2000 Trustees Mtg., Dec. 126; Oct. 2000 Trustees Mtg., Dec. 50.”

“Source” notes at the end of the sections also show the historical development of the policies prior to adoption of the Code. Source text is hidden by default and can be viewed by selecting the ¶ icon in the “Home” toolbar. PDF versions of the Code are “printed” with the Source text visible.

AMENDMENTS AND NEW POLICIES

The Trustees will adopt new policies and amend existing policies in its regular course of business. In the case of amendments, the sections of the Code being amended will be referenced in the actions of the Trustees. In the case of new policies, the placement of the new policies in the Code will be referenced in the actions of the Trustees.

TERMINOLOGY

When used in this document, “RI” refers to Rotary International, “TRF” refers to The Rotary Foundation of Rotary International, “the Board” refers to the RI Board of Directors and “the Trustees” refers to The Rotary Foundation Board of Trustees.

10.020. The Rotary Foundation Mission Statement

Together, we see a world where people unite and take action to create lasting change—across the globe, in our communities, and in ourselves. *(September 2017 Trustees Mtg., Dec. 12)*

10.040. Foundation Priorities and Goals

The trustee chair-elect shall select up to four priorities to be addressed over a three-year cycle, to be presented at the October meeting of the Trustees.

The Trustees adopt the following priorities for the three years beginning 1 July 2018 and ending 30 June 2021:

1. End polio—Countdown to History.
2. Increase sustainability of our service efforts within the seven areas of focus through the use of both district and global grants
3. Encourage the full use of District Designated Funds.
4. Encourage gifts and commitments that establish personal legacies within Rotary's Endowment.

(April 2021 Trustees Mtg., Dec. 102)

10.050. “Affirmation of Continuity and Commitment” to the Mission of The Rotary Foundation

In 1997, the Trustees concurred with the Board in the adoption of the “Affirmation of Continuity and Commitment” to the goals and objectives of The Rotary Foundation. The following statement is their updated expression of the combined spirit of cooperation, continuity, and commitment to the new Mission of The Rotary Foundation upon the global launch of the Future Vision Plan:

The Board and the Trustees reaffirm the significant relationship of Rotary International and The Rotary Foundation, an independent not-for-profit foundation, which operates as the Foundation of Rotary International. It is the desire of all directors and trustees working together under the leadership of the RI president, to achieve the Mission of The Rotary Foundation and to be responsive to Rotarians, Rotary clubs, and districts in implementing their projects through The Rotary Foundation.

Specifically, the Board and the Trustees are committed to the eradication of polio; to fulfilling the humanitarian and educational needs within areas of focus in all areas of the world; and to expanding activities intended to strengthen peaceful relations among people.

To these ends, the Board and Trustees will continue positive efforts to encourage additional financial support through gifts to The Rotary Foundation to assure the current level of programs and to build the Foundation for the future.

Furthermore, the Board and Trustees, while acknowledging the value of projects throughout the world, appeal to the Rotary world to acknowledge the universality of The Rotary Foundation as our primary means to implement the international service objective of Rotary clubs and to promote the unity of Rotary International.

The Board and the Trustees join in this statement of common purpose to reaffirm the continuity of The Rotary Foundation of Rotary International. As we prepare for the future, we are totally convinced that Rotary International will move ahead with confidence. It is our belief that the achievements of the past are but a

prologue for the future of Rotary International and its Foundation. (October 2012 Trustees Mtg., Dec. 16)

10.060. Incorporation of the Rotary Foundation

The articles of incorporation and bylaws for the corporation have been approved by the Trustees and are consistent with the governing documents of Rotary International and The rotary Foundation, including the constitution and bylaws of Rotary International, the 12 November 1931 declaration of trust between Rotary International and the Trustees of The Rotary Foundation, and the rules and regulations for the administration of The Rotary Foundation. *(January 2009 Trustees Mtg., Dec. 66)*

The Trustees shall review the Conflicts of Interest policy annually at their first meeting of the year.

I. Statement of Policy

- A.** No member of the Board of Trustees of The Rotary Foundation shall use his or her position, or the knowledge gained therefrom, in such a manner that a conflict between the interest of The Rotary Foundation and his or her personal interest arises.

- B. Each Trustee has a duty to place the interest of The Rotary Foundation foremost in any dealings with the organization and has a continuing responsibility to comply with the requirements of this policy.
- C. The Conduct of personal business between a member of the Trustees or of a committee and The Rotary Foundation is prohibited.
- D. Loans or indirect extensions of credit by The Rotary Foundation to a member of the Trustees or of a committee are prohibited.
- E. If a Trustee has an interest in a proposed transaction with The Rotary Foundation in the form of any personal financial interest in the transaction or in any organization involved in the transaction, or holds a position of trustee, director, or officer in any such organization, he or she must make full disclosure of such interest to the trustee chair (or in the case of the trustee chair, to the vice chair) before any discussion or negotiation of such transaction. If a Trustee is aware that another Trustee has an undisclosed potential conflict of interest in a proposed transaction with The Rotary Foundation, he or she must inform the Chair (or if the other Trustee is the Chair, to the vice Chair) as soon as possible.
- F. Any member of the Trustees or of a committee who is aware that he or she has a potential conflict of interest with respect to any matter commit before the Trustees or a committee shall not be present for any discussion of or vote in connection with the matter. The existence and nature of the potential conflict of interest shall be recorded in the minutes of the meeting.
- G. A proposed transaction covered by this conflicts of interest policy shall include any proposed decision of the Trustees, including the proposed adoption or amendment of a policy, which, if adopted, would affect a financial interest of or would result in a financial gain or benefit for a Trustee, a member of the Trustee's family, or an organization in which the Trustee is a trustee, director, or officer. Nevertheless, all Trustees may be present for any discussion of and may vote in connection with any such matter if the proposed decision would affect a majority of the Trustees, such as a proposed decision to amend the policy for reimbursement of expenses.

These reports will be reviewed by the Executive Committee, which will attempt to resolve any actual or potential conflict of interest will be deemed to exist upon an affirmative vote of a majority of the Trustees voting in the decision.

The Trustee with the potential conflict of interest shall not be present for the vote.
(*January 2010 Trustees Mtg., Dec. 58*)

20.020. Code of Ethics

1. Trustees will adhere to applicable laws and regulations in the conduct of Rotary business as well as in their personal lives. As a corporate business entity, The Rotary Foundation is subject to the laws of the various jurisdictions in which it conducts business. The Trustees should adhere to applicable law in order to protect the assets and mission of the Foundation. In addition, in conducting their private lives, Trustees should adhere to applicable law in order to preserve and protect the positive image of The Rotary Foundation.
2. Trustees will adhere to the provisions of TRF’s articles of incorporation and bylaws. Trustees have a legal obligation to follow the provisions of TRF’s articles of incorporation and bylaws. Moreover, these documents embody the will and wisdom of past members of the Board of Trustees as well as that of the members of the Rotary International Board of Directors, who serve as the democratically elected representatives of RI’s membership. Adherence to the terms of these documents garners the trust of the membership and assures that actions are taken consistent with Rotarians’ expectations.
3. Trustees will adhere to the provisions of the policies established by the Trustees as documented in the *Rotary Foundation Code of Policies*, to further the aims of the Foundation as well as to protect its mission. Many of these provisions are designed to assure good governance and promote an ethical image. Adhering to these policies demonstrates a commitment to these ideals while protecting the Foundation.
4. Trustees will serve for the benefit of The Rotary Foundation and to serve at its charitable and educational purposes, as well as its mission of supporting the efforts of RI in the fulfillment of the Object of Rotary, Rotary’s mission, and the achievement of world understanding and peace. Trustees will follow the requirements of the Trustee’s Policy on Conflicts of Interest. Trustees have a duty of loyalty to The Rotary Foundation. They should put the interests of the Foundation first. The Trustees have adopted a Conflicts of Interest policy that is designed to preclude even the appearance of any impropriety as to Trustee action. This assures continued confidence by Rotarians in their Foundation.

5. Trustees will not utilize their office for personal prestige and/or benefit. With the authority inherent in an office of importance comes access to special privileges not available to other Rotarians. Taking advantage of such privilege distracts from critical responsibilities and calls into question the commitment to the Objects of Rotary.
6. Trustees will exercise due care in the diligent performance of their obligations to the Foundation. By law, the Trustees have a duty of care to the Foundation. The Trustees should perform their responsibilities with such care, including reasonable inquiry, as ordinarily prudent persons in like positions would use under similar circumstances. Trustees should inform themselves, prior to making a business decision, of all material information reasonably available to them.
7. Trustees will take actions based on an essential fairness to all concerned. Trustees are often faced with decisions that will significantly impact various Rotarian groups and individuals. So as to maintain the confidence of Rotarian that the Trustees act fairly and in the best interests of the Foundation, Trustees, in a manner consistent with the 4-Way Test, should weigh the potential impact of their decisions and treat equally all persons who will be affected.
8. Trustees will promote transparency of important financial information. Trustees are the stewards of the Foundation acting on behalf of Rotary International, Rotary clubs and Rotarians. Rotarians have a right to access accurate information regarding the financial condition of the Foundation. Transparency in financial operations encourages ethical behavior.
9. Trustees will prohibit and restrict the disclosure, communication, and utilization of confidential and proprietary information. In fulfilling their responsibilities as members of the Board of Trustees, Trustees necessarily have access to confidential and proprietary information. As part of their duty of loyalty, Trustees should utilize this information only for intended purposes, never for personal ones, and take precautions against accidental disclosure.
10. Trustees will comply with expense reimbursement policies. The Board of Trustees has adopted a policy on the procedures for reimbursement of Foundation related expenditures. Following these procedures ensures compliance with applicable laws and precludes the appearance of impropriety.
11. Trustees will interact with RI and TRF staff in a professional and respectful manner and shall understand and abide by Rotary International's non-harassment policy. Trustees come into regular contact with RI and TRF staff. Maintaining a professional and harassment free work environment is essential for staff to successfully perform their responsibilities in providing service to the Foundation and to Rotarians. Moreover, harassment in the workplace can put the assets of the organization at risk. The General Secretary has developed a policy for prevention of harassment in the workplace. What constitutes acceptable interaction may vary among the different cultures represented on the Board of Trustees and in the Secretariat. The harassment policy provides

guidance on what is proper interaction with staff. Trustees should be familiar with and adhere to the policy so as to avoid even unintentional improper interaction.

12. Trustees will adhere to this Code of Ethics, encourage other Trustees to do so as well and report any suspected or potential violations to the General Secretary or the Chair. The efficacy of this Code of Ethics is dependent on compliance of the Trustees. By self-monitoring and encouraging other Trustees to comply with the Policy, the Trustees can assure that the goals of the Policy will be accomplished.

Implementation

The Code of Ethics shall be distributed to and reviewed with incoming trustees as part of their orientation session. It will also be provided to Trustees at least annually. Each Trustee will annually acknowledge that he or she has read the Code and understands and will comply with his or her responsibilities hereunder.

The Code of Ethics will be made available to all Rotarians upon request and will be published on RI's Web site. Additionally, the Code will be published in TRF's annual report, or alternatively, the annual report may refer readers to the version published on RI's Web site.

Interpretation and Enforcement

When made aware of a potential or alleged violation of the Code of Ethics, the General Secretary and the Chair will provide available details to the Executive Committee. The Executive Committee will then obtain all relevant information and take such action as it deems appropriate, including providing counsel to the alleged violator and providing recommendations to the Board of Trustees for corrective action. Only the Trustees may take disciplinary action against a trustee, consistent with the Rotary Foundation Bylaws and *The Rotary Foundation Code of Policies*. (April 2006 Trustees Mtg., Dec. 122)

20.020.1. Training on Adult Harassment Policies

The general secretary will provide annual training on RI's adult harassment policies and procedures to incoming and current Trustees. (January 2020 Trustees Mtg., Dec. 61)

- 24.010.** Regional Leaders
- 24.020.** Regional Rotary Foundation Coordinators (RRFCs)
- 24.030.** Endowment/Major Gifts Advisers
- 24.040.** End Polio Now Coordinators

24.010. Regional Leaders

Regional Leaders is the term used for the team of regional Rotary Foundation coordinator (RRFC), Rotary Coordinator (RC), Rotary public image coordinator (RPIC), endowment/major gifts adviser (E/MGA), and the End Polio Now coordinator (EPNC) that works together in the districts they serve to improve membership, fund development and major gifts, program/project participation, and public image. *(November 2020 Trustees Mtg., Dec. 51)*

24.010.1. Teamwork

The regional leader team supports the interrelated priorities of Rotary's strategic plan and goals working under the direction of the RI Director with guidance and support from either a Trustee that resides in the zones of that Director or from a Trustee within the greater geographical region.

All regional leaders and their assistants work together as a team to successfully serve their districts. Regional leaders understand their role and the role of each member on their team. No individual regional leader role is more important than another and none holds a more senior level of Rotary office than any other regional leader. Each regional leader has individual responsibilities, however, in order to be successful, their work intersects and supports the work of the full team. Regional leaders approach their work collaboratively, identify team dysfunction, and work together to overcome it, while continuously communicating. Working as a team, regional leaders can better meet their goals and the needs of their districts.

The regional team is strongly encouraged to jointly:

- Develop shared goals and visions for their districts
- Hold training events whenever possible
- Send communications to district leadership
- Encourage positive change in the districts they serve.

(January 2020 Trustees Mtg., Dec. 65)

24.010.2. Training

Regional Leader Learning Event

Incoming regional leaders attend one of two in-person learning events to orient them to their role and build capacity based on the skills their role requires. This training is planned by a Moderator and lead facilitators representing each regional leader group in consultation with the general secretary. The Moderator is selected jointly by the incoming chair-elect of the Trustees and the President-nominee. The incoming chair-elect of the Trustees and the President-nominee select the facilitators for the roles they appoint. The names of those selected moderator and lead facilitator are shared with the RI Board and TRF Trustees for review before appointments are finalized and announced.

Second- and third-year regional leaders are provided continued resources, learning, and skill-building opportunities through a structured plan provided by the general secretary. (*January 2023 Trustees Mtg., Dec. 48*)

24.010.3. Regional/District Trainings

Regional leaders organize, lead, and/or participate in trainings throughout the year. Training events should be relevant and targeted for governors and other district leaders to use again at the club level. Training events include:

- Regional Team Training – Assistants and others are trained before 1 July in this meeting convened by the Director that will oversee the regional team in the coming Rotary year. Incoming regional leaders work in close collaboration and communication with both the current Director, any resident Trustee as appropriate, and the current regional leaders for all regional team training. E/MGAs are encouraged to provide training to district endowment/major gifts subcommittee chairs.
- Governors-elect Training (GETS) and Rotary Institutes – Serve as an introduction of regional leaders as resources to district leaders and their district chairs. While not all regional leaders may be invited to be on the official GETS training team, all regional leaders are encouraged to attend GETS and Rotary Institutes to establish and strengthen relationships with district leaders. E/MGAs are encouraged to attend GETS and Institutes to further their primary objective of securing major gifts and to host recognition activities for major donors.
- Regional Seminars – Held in collaboration with other regional leaders to inspire Rotarians, especially district leaders, with new information, resources, tools, and an opportunity to share best practices.
- President-elect Training Seminars (PETS) – Regional leaders and their teams should collaborate with their governors and governors-elect to support the training of presidents-elect and other district leaders, including providing assistance to training program and curriculum development, and, if invited, providing training or participating in district training events.

- On-line – Use of webinars, on-line meetings, teleconferences, and videoconferences is strongly encouraged for the broadest reach and impact within clubs and districts. E-learning resources on Rotary’s website are also effective tools for distance learning. *January 2020 Trustees Mtg., Dec. 65)*

24.010.4. Funding

Annual funding from available Rotary financial resources is provided to cover basic and necessary business expenses incurred directly by regional leaders in carrying out their role responsibilities. *(August 2018 Trustees Mtg., Dec. 23)*

24.010.5. Evaluation

Regional leaders’ progress towards reaching their goals is regularly reported to the general secretary. Annually, regional leaders self-assess their performance in reaching outcomes, conducting activities, improving their competencies, and their qualitative contributions. These annual self-assessment are shared with RI Directors and Trustees for facilitating mentoring opportunities. The general secretary consults with the Rotary Foundation trustee chair in the implementation of an independent remediation process for low or under-performing regional leaders. *(August 2018 Trustees Mtg., Dec. 23)*

24.020. Regional Rotary Foundation Coordinators (RRFCs)

Additionally, EPNCs plan, communicate and collaborate with their regional leader team to have long-lasting impact in the districts they serve.

Regional Rotary Foundation Coordinators

RRFCs are partners and peers with EPNCs on their regional leader team. Both regional leaders work together as a team to ensure successful collaboration on Foundation giving, donor communications, promotion of the Rotary Foundation, and planning for donor recognition activities.

District Governors

EPNCs are a key resource to governors and their district foundation committee and subcommittee chairs to encourage support for PolioPlus and End Polio Now fundraising campaign. EPNCs need district governors to actively promote them as a resource to their district PolioPlus chairs.

26.020. Associate Foundations

26.030. Existing Associate Foundations

26.010. Arrangements for Tax-Related Benefits of Contribution

Preamble:

The Rotary Foundation believes that there should be one Rotary Foundation that serves Rotarians and clubs throughout the world, but understands that substantial benefits have been provided by those associate foundations recognized by the Trustees of TRF. This includes not only raising funds for the use of TRF programs, but also the provision of services in support of The Rotary Foundation's global programs. The Trustees acknowledge that it is to the clear advantage of Rotary International that it have only one Foundation to develop and maintain the best global programs and international investments, but that associate foundations significantly enhance the service by TRF to Rotarians and Rotary clubs.

The Foundation may explore arrangements (other than associate foundations, i.e., not involving the establishment of legal entities separate from the Foundation) with local government and taxing authorities to provide tax-related benefits for contributions to the Foundation. In considering such arrangements, the Trustees shall consider (1) whether there is an impediment to the transfer of funds from those countries to the Foundation and (2) whether there are restrictions imposed on the Trustee's authority or discretion in the expenditure of contributions from those countries.

Alternative philanthropic support structures should be considered before recommending establishment of an Associate Foundation. (*October 2019 Trustees mtg., Dec. 27*)

30.010.1. Procedures for New Program Development

All new activities and programs approved by the Trustees must include success criteria and further must be reviewed by the Trustees within three years of approval to determine if these criteria have been met.

The Procedures for New Program Development in The Rotary Foundation shall be as follows:

30.010.1.1. Sources of New Program Ideas

- Unsolicited correspondence from individual Rotarians or non-Rotarians to The Rotary Foundation containing suggestions for new programs;
- Suggestions from the general secretary based on the objectives included in the Foundation grants program;
- Resolutions and other correspondence from Rotary Institutes;
- Suggestions from the RI Board;
- Suggestions from individual Trustees;
- Recommendations from Trustee committees;

- Proposals from Major Donors of US\$1 million, or at whatever level is current Trustee policy for the establishment of new programs.
- Occasionally, the Trustees may wish to solicit suggestions in a specific area of need and may decide to do so by consulting with various experts in the field.

(October 2012 Trustees Mtg., Dec. 16)

30.010.1.2. Timeframe

Suggestions originating through methods a) and b) above will be treated every year at the October/November meeting of the Trustees. Consideration at the first meeting will enable more detailed budgetary provisions to be developed and approved at the second meeting as part of the program awards and program operations budget for the following year. Suggestions originating through methods c) through g) above will be treated, as they arise, at the next Trustees meeting. *(April 2000 Trustees Mtg., Dec. 126)*

30.010.1.3. Method of Evaluation

The general secretary has developed an evaluation method based on the criteria listed in the Foundation grants program. This evaluation will also contain comments regarding relationship to other TRF or RI programs and possible sources of funding. It will also contain an estimate of the program operations costs. *(October 2012 Trustees Mtg., Dec. 16)*

30.010.1.4. Role of the Executive Committee

The Executive Committee will review all new program suggestions and make recommendations to the Trustees.

If there are more than ten new program ideas received through individual correspondence or through the suggestion of the general secretary, the Executive Committee of the Trustees may perform a screening function to review all new program suggestions.

The committee will also evaluate pilot programs during their third year of operation. *(June 2002 Trustees Mtg., Dec. 170)*

30.010.1.5. Disposition of Suggestions

New program ideas may be treated in the following manner:

- referred to the Executive Committee or a special committee for further study
- retained on a list of high potential program ideas to be considered when resources permit
- implemented as a pilot program for three years (or possibly a shorter period if to be implemented only within a narrow geographic area) and presented for approval by the RI Board; if implemented as a pilot program, the program implementation plan developed by the general secretary will include an

evaluation plan, so that the data needed for evaluation at the end of the pilot period will be collected as part of the on-going pilot

- referred to the general secretary for further study
- not considered further at this time
- other

In all cases the originator will be informed of the Trustees decision. (*June 2002 Trustees Mtg., Dec. 170*)

30.020. Pilot Programs

30.020.1. Evaluation of Pilot Programs

The general secretary has developed an evaluation method based on the criteria listed in the Foundation grants program. This evaluation will also contain comments regarding impact on other TRF or RI programs, suggestions for modifications and a cost benefit analysis, and an estimate of the on-going program operations costs. (*April 2000 Trustees Mtg., Dec. 126*)

30.030. Program Review

30.020.2. Funding of Pilot Projects

1. A “pilot project” is defined as any program being funded out of “new programs” budget.
2. The normal duration of such pilot projects is three years, unless the Trustees designate a different duration for a particular pilot project.
3. Staff shall provide reports on the progress of each pilot project at the end of its first and second years.
4. During the final year of a pilot project, the Trustees will decide whether it is to be adopted as a regular program of The Rotary Foundation and, if adopted, determine the method of its permanent funding at that time.

(*April 2000 Trustees Mtg., Dec. 126*)

30.030. Program Review

Prior to any program review, the general secretary shall consult with the Trustees regarding the content and structure of the review, including consultation on survey forms prior to their distribution.

Whenever a pilot program of The Rotary Foundation is reviewed, the decision should clearly indicate whether the program is to be

1. terminated
2. continued as a pilot program with or without any changes for an established period of time, or
3. adopted as a program.

Whenever a program of The Rotary Foundation is reviewed, the decision should clearly indicate whether the program is to be continued or terminated.

Trustee representatives to Rotary Institutes and Foundation seminars will be provided with relevant survey results, with the objective of effectively informing Rotarians about recent program changes. (*June 2002 Trustees Mtg., Dec. 170*)

30.040. Conflict of Interest Policy for Program Participants

To assure integrity in The Rotary Foundation grants program it is essential that all individuals involved in a program grant and/or award conduct their activities in a manner that avoids a conflict of interest.

A conflict of interest occurs when an individual is in a position to make or influence a decision about a grant or award that benefits (i) that individual, (ii) an immediate family member, (iii) a business partner, or (iv) an entity in which the individual, an immediate family member, or a business partner has a significant financial interest or in which the individual, an immediate family member, or a business partner is a trustee, director or officer.

Rotarians shall disclose to the general secretary all actual and potential conflicts of interest. If in doubt, any potential conflict should be disclosed. Rotarians shall not serve on the grant committee for any global grants on which they have a conflict of interest. Global grants may not be financed with contributions (Directed Gifts, CSR funds, etc.) where the donor has a conflict of interest in relation to the grant.

The general secretary shall provide advice on how to interpret and implement this conflict of interest policy. The general secretary and/or Trustees will decide if a conflict of interest may exist for a particular case. If, upon review of the situation, the general secretary and/or Trustees concludes that there is or has been a conflict of interest in the execution of a TRF program grant or award, the general secretary shall fashion and recommend to the Trustees an appropriate remedy to protect the integrity of the grant process. Such remedy may include the cancellation of current or suspension of future TRF program grants or awards involving a particular Rotarian, Rotary club, or Rotary district.

1. Award Recipient Eligibility

Pursuant to section 9.3 of the TRF bylaws, those individuals defined below shall not be candidates or final award recipients or beneficiaries of any TRF program. Such individuals shall include current Rotarians; employees of clubs, districts, and other Rotary Entities (as defined in the Rotary Code of Policies) or of Rotary International; spouses, lineal descendants (children or grandchildren by blood, legal adoption, or marriage without adoption), spouses of lineal descendants or ancestors (parents or grandparents by blood) of persons in the foregoing categories; and employees of agencies, organizations, or institutions partnering with TRF or RI.

Former Rotarians shall continue to be ineligible for a period of 36 months after termination of their membership. Persons who were ineligible based on their familial relationship to a former Rotarian shall continue to be ineligible for a period of 36 months after termination of their family member's membership.

Notwithstanding the foregoing, such individuals shall be eligible to participate on vocational training teams and in individual travel for humanitarian projects (when such individuals are determined to be qualified) funded by district grants and global grants as long as they are providing a benefit to others.

2. Impartiality of Selection Committees

Rotarians who serve on a club or district-level selection committee for a TRF program are expected to exercise complete transparency in their familiar, personal, or business relationship with an applicant and must notify the committee chair in advance of the selection process of any actual or perceived conflict of interest due to the committee member's association with a TRF program award candidate, e.g. employees of the same firm or organization, members of the same Rotary club or member of the same club sponsoring an application, familial relationship, etc.

The selection committee chair will decide how and if that committee member should participate in the selection process for that one or all candidates with whom there is an actual or perceived conflict of interest. If the selection committee chair is the individual with an actual or perceived conflict of interest, the club board or the DRFC chair, as appropriate, will decide how and if such chair should participate in the selection process for that one or all candidates with whom there is an actual or perceived conflict of interest.

3. Business Transactions with Vendors

Before TRF, a Rotary district, a Rotary club, or a Rotarian conducts business transactions related to a TRF program award in which the vendor receives payment from a Rotary Entity, a fair, open and thorough request for proposals or bidding process must be conducted to ensure that the best services are secured at a reasonable cost, despite any connection between a vendor and a Rotary Entity. Possible conflicts of interest may arise when a Rotary Entity is considering

business in which funds will be paid to a Rotarian; a goods and/or services provider owned or managed by a Rotarian, Honorary Rotarian, employee of a club, district, or other Rotary Entity or of Rotary International, Rotarian's spouse, lineal descendants (child or grandchild by blood, legal adoption, or marriage without adoption), spouses of lineal descendants, and ancestors (parent or grandparent by blood), or employees of agencies, organizations, or institutions partnering with TRF.

Examples of business relationships that may require further review to confirm that a Rotarian conflict of interest does not exist include business transactions with a partner nongovernmental organization, goods or services provider, insurance company, travel agency, shipping agency, study institution, language skills testing firm, etc.

Business transactions with individuals or entities with whom there is an actual or perceived conflict of interest can be completed upon approval of the general secretary if such transaction provides the best product or service at fair market value, as evidenced by a sales quote or offer obtained through a fair, open and thorough request for proposals or bidding process.

The general secretary shall provide advise on how to interpret and implement this conflict of interest policy. Any unresolved conflict of interest involving a program grant or award must be reported by a Rotarian or Rotary entity involved to the general secretary at least 30 days in advance of the selection process or proposed business transaction. The general secretary will decide if a conflict of interest may exist for a particular case. If, upon review of the situation, the general secretary concludes that there is or has been a conflict of interest in the execution of a TRF program grant or award, the general secretary shall fashion an appropriate remedy. Such remedy may include the cancellation of current or suspension of future TRF program grants or awards involving a particular Rotary, Rotary club or Rotary district. *(October 2021 Trustees Mtg., Dec. 15)*

30.050. Sexual Abuse and Harassment Prevention Guidelines

All Rotarians, clubs, and districts are required to follow the statement of conduct for working with youth guidelines established by Rotary International, and the following guidelines adopted by The Rotary Foundation Trustees:

1. TRF has a zero-tolerance policy against sexual abuse and harassment.
2. An independent and thorough investigation must be made into any claims of sexual abuse or harassment.
3. Any person involved in a TRF program against whom an allegation of sexual abuse or harassment is made must be removed from all contact with TRF program participants until the matter is resolved.

4. Any allegation of abuse must be immediately reported to the appropriate law enforcement agency, in accordance with TRF's zero-tolerance policy.
5. The Rotary Code of Policies provides guidelines pertaining to Rotary clubs and their members who are found to be involved with sexual harassment. A non-Rotarian who admits to, is convicted of, or is otherwise found to have engaged in sexual abuse or harassment must be prohibited from working with TRF program participants in a Rotary context.
6. If an investigation into a claim of sexual abuse or harassment is inconclusive, then, for the safety of TRF program participants and the protection of the accused, additional safeguards must be put in place to assure the protection of any TRF program participants with whom the individual may have future contact. If there are subsequent claims of sexual abuse or harassment, the person shall be permanently prohibited from working with TRF program participants in a Rotary context. Regardless of criminal or civil guilt, the continued presence of the person could be detrimental to the reputation of the organization and could be harmful to TRF program participants. It can also benefit the person in preventing additional accusations from other TRF program participants. A person who is accused but later cleared of charges may apply to be reinstated to participate in TRF programs. Reinstatement is not a right, and no guarantee is made that he or she will be reinstated to his or her former position.
7. The general secretary shall take steps to ensure a Rotary district's compliance with these guidelines should it be determined that a district is not adhering to them. (*April 2005 Trustees Mtg., Dec. 118*)

30.060. Participation of Spouses and Other Family Members of Rotarians in Foundation Programs

The Trustees have observed that

1. broad participation of the spouses and other family members of Rotarians in service projects and Foundation programs undertaken by clubs and districts significantly expands and enhances Rotary's program of service
2. similarly broad attendance and participation of spouses and other family members of Rotarians in Foundation training seminars, recognition ceremonies, and other events at the club, district, and international levels increases knowledge of Foundation activities and accomplishments and helps to achieve Rotary's objective of promoting world understanding and peace
3. spouses and other family members of Rotarians strengthen the Rotary movement by taking the spirit and ethics of Rotary to their own professional, civic, charitable, and other activities

4. spouses and other family members of Rotarians provide a vital framework of support for many Foundation programs
5. spouses and other family members of Rotarians serve as advocates for Rotary service and Foundation programs to others both within and without the organization
6. many spouses and other family members of Rotarians are potential contributors to the Foundation

Accordingly, to utilize more fully this potential for the enhancement of Foundation programs and Rotary service, the Trustees establish the following goals for participation in Foundation activities by the spouses and other family members of Rotarians:

1. Clubs and districts are encouraged to plan and implement service projects and Foundation programs in such a manner that the spouses and other family members of Rotarians can easily participate
2. Clubs and districts are encouraged to organize Foundation training seminars, recognition ceremonies, and other events in such a manner that the spouses and other family members of Rotarians can attend and participate
3. The Trustee chair, general secretary, and relevant Foundation committees are requested to organize Foundation events at the Convention, the International Assembly, and other international meetings in such a manner as to encourage the participation of the spouses and other family members of Rotarians in such events
4. To further the goals of the Foundation and to serve as a model for the broad participation of the spouses and other family members of Rotarians in such Rotary and Foundation projects, programs, and events
 - a. the spouses of Trustees are encouraged to participate in club and district service projects and Foundation programs, to attend and participate in Foundation training seminars, recognition ceremonies, and other events, and to serve as advocates for Foundation programs and Rotary service
 - b. the spouses of Trustees are requested to attend and participate in Foundation events at the Convention, International Assembly, Rotary Institutes, and other international meetings, as appropriate.

(October 2005 Trustees Mtg., Dec. 14)

30.070. Rotary Recommended Programs Designation

To acknowledge successful, data-driven, community-based projects that have proven successful across multiple regions and/or populations, the Trustees have established the program designation: “Rotary Recommended Programs,” with the following criteria. While this designation is determined by the general secretary

and indicates Rotary's recognition, it does not imply any financial support from Rotary.

1. Program should be of sufficient scale (geographic or population) to affect substantive positive change and impact on the targeted community and or remediated issue.
2. Program must align with Rotary International's Strategic Plan.
3. Program must have reached proof of concept during previous years of operation and now be positioned to implement proven intervention based on data and impact.
4. Program must enhance Rotary's impact in alignment with one or more of Rotary's seven areas of focus.
5. Program should contribute to the ability of Rotary to expand its programmatic reach with the capacity to adapt at national and regional levels preferably across cultural and geographic boundaries.
6. Program must be structured with strong and proven policies and procedures, including program management, monitoring and evaluation, on-going reporting capacity and preferably training protocols enhancing replication capacity. The functions and contributions of Rotarians should be clearly defined as well as the functions and contributions of other partners whether implementing or financial.
7. Program funding sources would be external to the World Fund and represent additional resources for Rotary's international service. Ideally resources would emanate from the private sector, NGO sector and/or government sector.
8. Program should enhance partnership development opportunities both at an in-country level and an international level.
9. Program should be adaptive and innovative to accommodate regional and national implementation environments.
10. Program is required to meet Rotary Marks and branding requirements.
11. Program must have strong in-country government endorsement.
12. Program would benefit from strong working relationships with affiliated Rotary organizations such as Rotary Actions Groups as well as ties to other Rotary service resources.

III. Elements of Successful Humanitarian Projects and Vocational Training Teams

Disease prevention and treatment global grants are:

1. Sustainable — Communities can address their disease prevention and treatment needs after the Rotary club or district completes its work.
2. Measurable — Sponsors need to set targets and identify measurements to track project outcomes. Standard measures for disease prevention and treatment are listed in the Global Grant Monitoring and Evaluation Plan Supplement.
3. Community-driven — Projects meet the needs identified by the host community.

TRF seeks to empower governments, institutions, and communities to manage water, sanitation, and hygiene services, through environmentally-sound, measurable and sustainable interventions.

I. Area of Focus Statement of Purpose and Goals

TRF enables Rotarians to ensure communities' sustainable access to water, sanitation, and hygiene by:

1. Facilitating universal and equitable access to safe and affordable drinking water

For that reason, the application of DEI principles as they relate to fields of study already eligible within the CED area of focus would be viewed as a positive addition to the candidates chosen field of study. An applicant with a background that promotes diversity, equity

and inclusion within existing eligible fields of study would be considered favorably.

15. DEI cannot be used as eligibility criteria to replace the applicant's relevant experience, academic program of the study or career goals that should support eligibility under CED.

For the core environmental fields program, the Foundation considers these factors:

- The applicant's previous work experience in environment-related fields
- The academic program's alignment with the environment, through an eligible field of study, such as natural resource management, environmental toxicology, conservation biology, or environmental justice (full list in *Environment Guidelines for Global Grant Funding*)
- The applicant's career plans and how they relate to the environment.

For the Indigenous environmental studies program, the Foundation considers these factors:

- The applicant's previous professional or academic experience in environment-related fields
- The academic program's alignment with any of the disciplines listed above in the first program, or from the additional options listed in the *Environment Guidelines for Global Grant Funding*

31.010.3. Review and Evaluation of Areas of Focus

1. Evaluation of areas of focus

Each existing area of focus shall be evaluated by the general secretary every five years for report to the Trustees. This review shall assess:

 - Sustainability
 - Good stewardship
 - Level of Rotarian participation
 - Ease of administration
 - Ease of involvement for Rotary clubs and districts
 - Fundraising success
 - Enhanced public awareness of Rotary
 - Ease of, and success in, spending accumulated funds
2. Should the Trustees find, based upon this evaluation, that Rotary cannot reasonably support the administrative, financial, or technical needs of an area of focus, the area of focus may be terminated, but no new area of focus may be proposed until the time of the ten-year evaluation.

3. Evaluation of Secretariat Support Requirements for Areas of Focus

Every ten years, the Trustees shall evaluate the areas of focus. One year before this evaluation, the general secretary will perform an internal efficiency evaluation to assess the areas of focus that the Secretariat currently supports and determine whether each area of focus can reasonably support the administrative, financial, and technical needs of different areas of focus.

4. Termination of an Area of Focus

Upon completion of the above evaluation, the Trustees, in consultation with the general secretary, may decide to terminate an area of focus when at least one of the following has been shown:

- The objectives of an area of focus have been successfully achieved and Rotary's commitment to an area of focus has been fulfilled.
- Rotary has not been successful in addressing the area of focus over at least two review periods and is unlikely to become successful within the next review period.
- Rotary cannot reasonably support the administrative, financial, or technical needs of an area of focus.

(April 2019 Trustees Mtg., Dec. 116)

31.010.4. Creating New Areas of Focus

At the time of the ten-year evaluation, the Trustees may consider a new area of focus after an existing one has been terminated or an assessment by the general secretary demonstrates that sufficient administrative, financial, and technical resources are available to successfully support a new area of focus without negatively affecting existing areas of focus. A review of proposed areas of focus shall be conducted by the general secretary, in consultation with the Foundation's Programs Committee, before they are considered by the Trustees. The RI Board must approve any proposed changes to the areas of focus.

1. Selection Criteria for Areas of Focus

The proposed area of focus shall:

- be anchored in the themes outlined in the Foundation mission: peace, health, education, and the alleviation of poverty

- reflect the organizational strengths and the capabilities of Rotary's clubs and Rotarians
- lend itself to the creation of independent projects between Rotary clubs or districts
- be consistent with generally accepted international development practices and world health standards at the time of submission
- have a high probability of positive project outcomes within a 7- to 10-year time frame

The proposed area of focus shall not:

- conflict with Rotary's ethical and humanitarian values
- undermine internationally recognized standards for human rights
- promote a particular political or religious viewpoint
- unfairly discriminate based on race, ethnicity, gender, language, religion, political or other opinion, national or social origin, property, or birth or other status
- weaken the autonomy, independence, reputation, or financial integrity of Rotary International or The Rotary Foundation
- reduce the effectiveness of Rotary programs or humanitarian service efforts.

32.010. Commitment to Global Polio Eradication

As endorsed by Councils on Legislation, the global eradication of polio is, and must remain, the premier goal of Rotary International and its Foundation until the world is certified as polio-free.

The Trustees believe that it is premature, and to the detriment of polio eradication, to adopt any future global goal before certification. The potential distraction of Rotarians, the undercutting of advocacy efforts, and the diminishment of Rotary's eradication efforts could be the consequence of any such adoption. (*June 2015 Trustees Mtg., Dec. 146*)

32.020. General Policies

Rotary, in partnership with other world organizations, is committed to the certification of the eradication of polio. Therefore, all grants from PolioPlus funds must make a significant and widely recognized contribution to the certified eradication of polio.

Expenditures for the immunization of children in polio endemic and high-risk countries are the primary focus for PolioPlus funding.

The Rotary Foundation should take all steps, both directly and through those organizations with which it is cooperating to assure that the status and reputation of Rotary is fully recognized as a world leader in the eradication of polio, and that appropriate recognition is given for Rotarians' personal involvement and financial support, to motivate and encourage additional service to and support of PolioPlus by Rotarians and Rotary clubs.

Polio immunization requires expenditures of PolioPlus funds for supporting activities, including, but not limited to:

- Advocacy

- Management/technical assistance
- Operational support
- Research
- Social mobilization
- Surveillance
- Transition to routine immunization
- Vaccine

Notwithstanding the restrictions of section 32.040., PolioPlus expenditures may also be incurred for general administration, program operations, advocacy, and global consultation and cooperation with partners in Rotary's eradication efforts.

Funds from other grant programs of the Rotary Foundation or Rotary International can be spent for non-polio vaccines or polio rehabilitation. However, PolioPlus funds will not be utilized for such activities.

The International PolioPlus Committee (IPPC) and the general secretary shall ensure that the Trustees of the Rotary Foundation and the Rotary International Directors are kept informed, at least annually, of the progress in the eradication of polio, and the status of the remaining PolioPlus funds. *(October 2019 Trustees Mtg., Dec. 45)*

32.030. Advocacy

"Advocacy" for PolioPlus describes those activities by Rotarians which communicate to leaders at global, national and local levels the benefits of the eradication of polio, so that the financial, technical and other resources required to reach this goal will be committed on a timely basis. Through advocacy, Rotarians seek to

- Inform potential funding sources of the urgent necessity to make special contributions to the unmet needs of the Global Polio Eradication Initiative (GPEI), and encourage their financial support of the initiative.
- Urge leaders in polio endemic and high risk countries to continue polio eradication activities as a high priority in accordance with GPEI Strategies.
- Urge leaders in all countries to maintain the highest possible level of routine immunization in accordance with World Health Organization (WHO) guidelines.
- Inform the public about the benefits of polio eradication to obtain their support for this goal and for all programs which combat vaccine-preventable diseases.

(October 2019 Mtg., Dec. 45)

32.040. Polio Eradication Advocacy Task Force for the United States

This task force provides leadership and coordination of Rotary efforts to inform the U.S Government and other funding sources of the urgency, need, and benefits of investing funds required to eradicate polio.

The chair and members of the task force are selected by the trustee chair after consultation with the IPPC chair. The trustee chair may appoint a vice-chair.

The task force shall:

1. Communicate the “case” for US funding for global eradication activities.
2. Coordinate plans to utilize all Rotary resources – RI Board of Directors, TRF Trustees, district and national PolioPlus committees, the IPPC and its consultants – to mobilize governmental financial resources and provide appropriate tools to achieve this purpose.
3. Provide leadership for reaching political and institutional officials who can influence desired financial and political support.
4. Engage Rotarians and others who can best express the goal of Rotary to eradicate polio, who can make contacts at significant political levels and seek assistance for Rotary and its partners to achieve advocacy goals.
5. Recommend the employment of consulting or advisory firms to provide strategic guidance for advocacy engagement with the US government, and work with such firms in carrying out the services contracted by the general secretary.
6. Cooperate with other advocacy partners as appropriate.

The task force shall function under the direction and guidance of the International PolioPlus Committee (IPPC).

The task force chair shall:

1. Be responsible for carrying out the task force duties in Item 1 above.
2. Keep the general secretary (or designee) and the chair of the IPPC (or designee) fully informed on all activities. These two individuals retain responsibility for informing the trustee chair of appropriate developments.

(October 2019 Trustees Mtg., Dec. 45)

32.050. National Advocacy Advisers

The advisers provide leadership and coordination of Rotary efforts to inform their respective governments and other funding sources of the urgency, need, and benefits of investing funds required to eradicate polio.

After consultation with the chair of the IPPC, national advocacy advisers are appointed by the chair of the Rotary Foundation Trustees to serve at the pleasure of the trustee chair for one year terms that are renewable.

A national advocacy adviser coordinator will be appointed by the trustee chair in consultation with the IPPC chair who will advise and inform the chair and members of the International PolioPlus Committee (IPPC) on international advocacy strategy and engagement and cooperate with other advocacy partners as appropriate in the appeals for public sector support.

National Advocacy Advisers:

1. Formulate appropriate strategies to inform their government and other potential funding sources in his or her nation of the needs and benefits of the Global Polio Eradication Initiative.
2. Participate in presentations to government and other funding sources, and coordinate and execute preparatory and follow up activities in consultation with the coordinator.
3. Identify and maintain communication with other Rotarians in the country who can assist with activities to achieve advocacy objectives.
4. Maintain current knowledge of polio eradication program strategies, status and needs.

(October 2019 Trustees Mtg., Dec. 45)

32.060. PolioPlus Relations with Other Organizations

The Global Polio Eradication Initiative (GPEI), launched in 1988, has four spearheading partners: World Health Organization (WHO), Rotary, US Centers for Disease Control and Prevention (CDC) and United Nations Children's fund (UNICEF).

Since the Bill & Melinda Gates Foundation joined the GPEI in 2007 and Gavi, the Vaccine Alliance in 2019, the six core partners are WHO, Rotary, CDC, UNICEF, Bill & Melinda Gates Foundation, and Gavi, the Vaccine Alliance.

Rotary leads the US Coalition to Eradicate Polio which includes the American Academy of Pediatrics, the March of Dimes, the Task Force for Global Health, UNICEF USA, and the United Nations Foundation. *(October 2019 Trustees Mtg., Dec. 45)*

32.060.1. General Policies

The Rotary Foundation will encourage, promote and support cooperation among all parties at community, national, regional and international levels in the goal of polio eradication.

The Rotary Foundation should be represented at all major international meetings which are held to discuss, plan or develop policy relating to polio eradication.

The Rotary Foundation representatives attending such international meetings shall:

1. support efforts to achieve the certification of a polio-free world
2. oppose any actions which would delay the goal of eradicating polio and achieving certification
3. obtain information on technical, operational, and other developments which would impact the polio eradication goal, positively or negatively
4. support efforts to immunize children from all vaccine-preventable diseases subject to the overriding goal of the eradication of polio
5. maintain Rotary's significant role in the eradication of polio and highlight Rotary's contributions to eradication efforts
6. help assure that Rotary receives appropriate recognition and visibility for its role in polio eradication efforts
7. learn of new potential opportunities for financial support and advocacy.

(October 2019 Trustees Mtg., Dec. 45)

32.070. Grants

The PolioPlus program funds three types of grants: PolioPlus grants, PolioPlus Partners grants, and administrative grants to National PolioPlus Committees. The stewardship standards stated in section 34.010. shall apply to all grants in the PolioPlus program. *(October 2019 Trustees Mtg., Dec. 45)*

32.070.1. PolioPlus Grants

PolioPlus grants are primarily awarded to the World Health Organization and UNICEF to fund polio eradication activities, including:

 - c. international travel for up to two people to implement a service project or to provide training, provided the host sponsors have confirmed that the skill set is not readily accessible locally and warrants funding international travel. Staff, officers or members of a cooperating organization involved in the project are not eligible to receive grant funding for travel expenses. In special circumstances where these individuals have specific skills or qualifications necessary to implement the project, consideration will be given to permit funding their travel. A humanitarian project budget may not be used to solely fund international travel; it must be a component of a larger humanitarian project budget and the travel portion must be reasonable in proportion to the project budget.

Grant funds can be used to establish a revolving loan fund if the sponsors comply with the microcredit requirements found in the Terms and Conditions for Rotary Foundation district grants and global grants

 - e. new construction (without a strategic partner) of any permanent structure in which individuals live, work, or spend a significant amount of time, such as buildings (e.g., hospitals), containers, and mobile homes or structures in which individuals carry out any type of activity including manufacturing and processing. If the grant depends on the construction of a building, the construction must be funded by additional club/district funds (nonmatched cash contributions not processed by The Rotary Foundation) or funded by another entity
 - f. renovations to complete buildings that are partially constructed (including buildings with only the exterior completed) but have never been occupied or operational
 - g. cash donations or stipends to beneficiaries outside of a revolving loan fund. The Rotary Foundation will support beneficiaries through the use of goods, education, services, and care

Levels of assessment shall be revisited every five years to ensure that they are appropriately set.

*An area of focus expert, in consultation with the Cadre chair, may determine that the appropriate level of assessment is not commensurate with the award amount and either waive or add additional requirements to the level of assessment. Applications that include directed gifts or endowment earnings shall be assessed based upon their total funding, not the award amount. (*February 2021 Trustees Mtg., Dec. 84*)

33.050.4. Vocational Training Teams

General Criteria

1. Each team will be given the opportunity to either enhance its own vocational skills or provide professional training to others within the areas of focus in response to a humanitarian need.

7. The host sponsor club or district must designate a host counselor for an inbound scholar.

Scholar Requirements

1. Scholar candidates should have a good knowledge of Rotary and a solid commitment to activities and service within both sponsoring clubs and districts.

33.050.6. Global Grant Directed Gifts

Donors may contribute directed gifts of US\$15,000 or more to a specific area of focus, which would be used instead of the first portion of World Fund match for a global grant.

Donors may contribute directed gifts of US\$30,000 or more and may specify an area of focus and a district to participate.

Clubs and districts may add additional district designated funds or flow-through contributions if the grant is larger than US\$30,000.

Directed gifts are not eligible for World Fund match.

Directed gifts will be recorded as temporarily restricted contributions on the Foundation's audited financial statements per applicable accounting rules and standards.

Such contributions will be available in the Rotary year immediately following the year in which they were received, unless otherwise specified in the gift agreement.

All global grant directed gifts must be awarded for activities that comply with The Rotary Foundation Code of Policies and the directed gift naming opportunities as approved by the Foundation's Trustees. The terms and conditions of these awards will be used as documented in the gift agreement.

Directed gift contributions will qualify only for major donor recognition at the appropriate level.

A five percent deduction will be assessed from all directed gifts for global grants to cover the administrative and program costs associated with these gifts.

Directed gifts will be spent in minimum increments of \$15,000 unless the remainder of the gift is less than \$15,000. (*August 2018 Trustees Mtg., Dec. 6*)

33.050.6.1. Global Grant Directed Gift Naming Opportunities

Naming opportunities are available to those who wish to support global grant activities through a directed gift. This is generally a one-time gift, used in its entirety for its intended purpose and carries the name of the donor or loved one. Each directed gift will be individually tracked and reported on to the donor.

Directed global grants will provide support to humanitarian projects, scholarships, and vocational training teams in one of Rotary's areas of focus:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

Options vary depending on the size of the gift:

\$15,000+

Funds one or more global grant with an area of focus option specified by the donor. A geographic preference for the grant, such as Africa, Asia, or Latin America, will be considered. Donors will receive a letter when the directed gift is used with general information regarding the grant.

\$30,000+

Funds one or more global grant with an area of focus option specified by the donor. Donors may specify the area of focus and a district to develop the grant, as well as the project or activity type: humanitarian project, scholarship, or vocational training team. A geographic preference for the grant, such as Africa, Asia, or Latin America, will be considered. Donors will receive a report when the directed gift is used with specific information on the grant funded by the gift.

\$150,000+

Funds one or more global grant as described above. Additionally, donors may specify up to two areas of focus and the option to support any current special initiatives of the Foundation; for example the WASH in Schools (WinS) initiative. Donors will receive a personalized report when the directed gift is used, including general information on the grant, how much additional funds were leveraged and pictures when available.

Directed global grants are typically supplemented with other Rotary funding which leverages and maximizes each gift. Combined directed and endowed gift opportunities are available. *(August 2018 Trustees Mtg., Dec. 6)*

33.050.7. Endowed Global Grant Funding Model

1. There is no spendable earnings threshold for endowed global grants.
2. Spendable earnings from global grant endowed funds are eligible to be used as a funding source to support global grants to meet the minimum US\$30,000 project budget.
3. The program award portion of the spendable earnings for any global grants not used in the Rotary year for which they are budgeted will be rolled over for use in a subsequent year.
4. Any global grant funded in part by spendable earnings from an endowed fund for global grants will carry the name of that fund if so desired by the donor.
5. A global grant shall use funding from only one named endowed fund.
6. If spendable earnings are less than \$30,000, the spendable earnings may not be split to fund multiple global grants.

(October 2013 Trustees Mtg., Dec. 8)

District grants are funded by The Rotary Foundation solely with allocations from the District Designated Fund (DDF).

A district may apply for a single grant per program year for one or more projects that utilize a maximum of 50 percent of its SHARE allocation, which represents 50 percent of annual giving plus Endowment Fund earnings calculated from the prior year. *(October 2012 Trustees Mtg., Dec. 16)*

33.060.4. Requests

The Rotary Foundation will not process or approve district grant requests after the end of the program year for which the funds were requested.

Districts are strongly encouraged to submit district grant requests and receive grant approvals in the year prior to the year in which funds are made available. *(October 2008 Trustees Mtg., Dec. 24)*

33.060.5. Participation in District Grants

Rotarians, such as district governors and district Rotary Foundation chairs, are requested to provide information to The Rotary Foundation regarding individuals who receive funding through a district grant so that they may be defined as Rotary alumni. *(April 2010 Trustees Mtg., Dec. 109)*

33.070. The Rotary Foundation and Sustainability

The Rotary Foundation defines sustainability as the capacity for maintaining long-term outcomes that continue to serve the ongoing needs of a community after grant funds have been expended. To meet this requirement, global grants projects should address:

Community Needs – The host community and host club or district should develop projects based on the host community’s assessment of community needs and strengths.

Materials and Technology – All project materials should be appropriate for the community and, ideally, purchased locally to the extent feasible.

Funding – Communities should be able to sustain the project without ongoing financial support from The Rotary Foundation or other Rotary sources.

Knowledge – Projects should include instructional efforts that teach beneficiaries how to address their ongoing needs after the completion of the project.

Motivation – Communities should assume project ownership upon project completion.

Monitoring and Evaluation – Projects should include a measurement plan that confirms significant improvement, ideally for three or more years. *(October 2012 Trustees Mtg., Dec. 16)*

33.080. Qualification

In furtherance of the stewardship policies adopted by the Trustees, qualification is the process of ensuring that districts and their member clubs have the appropriate legal, financial, and stewardship controls in place to effectively participate in

district grants and global grants. The qualification process prepares districts and their member clubs to administer a program that includes effective and careful oversight of grant funds and helps to ensure the quality and consistency of compliance with stewardship requirements. Districts must agree to implement the financial and stewardship requirements in the district qualification memorandum of understanding (MOU) to be qualified. Clubs must agree to implement the financial and stewardship requirements in the club qualification MOU and must have at least one club member participate in their district's grant management seminar each year to be qualified. Districts participating in Rotary Foundation grants must be qualified to receive grant funds. Clubs participating in global grants must be qualified to receive grant funds. (*October 2021 Trustees Mtg., Dec. 15*)

33.090. Evaluation Plan for Foundation Grants Program

Evaluation and measurement are critical elements of the Foundation grants program. The Trustees have requested the general secretary to include Foundation grants program monitoring in each October Trustees meeting agenda through review and evaluation of performance measures.

The general secretary is responsible for creating and implementing the evaluation plan for the Foundation grants program. Evaluation will serve three main purposes: determining how well the Foundation grants program priorities and goals are achieved; determining a business model that will drive technology acquisition; and determining how TRF is performing over time to identify and implement improvements. (*April 2023 Trustees Mtg., Dec. 93*)

33.100. Grants to Other Organizations

Making grants-in-aid to support the normal operating or program expenses of other organizations is against Foundation policy. (*April 2000 Trustees Mtg., Dec. 126*)

33.110. Fund for Special Initiatives

The Trustees have established a Fund for Special Initiatives of US\$100,000 authorizing the Chair to release Special Initiative grants of up to US\$20,000 per grant for international service projects undertaken by Rotary clubs and/or districts which do not fit within the established criteria of existing Foundation grants and programs. (*October 2012 Trustees Mtg., Dec. 16*)

33.110.1. Guidelines and Criteria

1. All projects must support the mission of The Rotary Foundation.
2. Project proposals must be submitted by Rotarians, Rotary clubs or districts and should include their active participation.
3. Projects may be local, national or international in scope, but must address a humanitarian condition of the economically disadvantaged;
4. Special Initiative fund awards are made at the discretion of the trustee chair and are limited to US\$20,000 per grant, and should be no smaller than US\$1,000 per grant.
5. All recipients must agree to use the funds in accordance with the Foundation's policies regarding the stewardship of grant funds and must provide annual reports on the progress of their projects and provide final reports within two months of the project's completion.
6. Report on activities related to the use of Special Initiative funds will be provided at each Trustees meeting as a part of information provided with "Decisions Taken on Behalf of the Trustees."

(January 2002 Trustees Mtg., Dec. 78)

33.120. Disaster Relief Policy

- The role of Rotary International and The Rotary Foundation is to be a resource and to assist in long term disaster recovery
- A disaster relief page on rotary.org shall include procedures that a district in a disaster area should follow, stories and images of Rotarians participating in disaster relief efforts, and information on where donations are being accepted in support of a particular disaster relief effort
- The Disaster Network of Assistance (DNA) Rotarian Action Group is encouraged to publish on its website a list of Rotarians with disaster response experience and a list of organizations that work with Rotary
- When a disaster is reported to Rotary International, the Rotary president shall send a sympathy letter containing disaster relief-related resources to the affected districts
- The general secretary shall direct those donors interested in making immediate donations to a disaster relief effort to a local established disaster relief committee, not The Rotary Foundation, to avoid delays, unnecessary processing, and expectations of financial stewardship
- Noting that the immediate need for districts impacted by disasters is typically cash, The Foundation discourages donations of goods, unless requested by a local committee.

(August 2018 Trustees Mtg., Dec. 6)

33.120.1. Rotary Disaster Response Fund

The Trustees have established a “Rotary Disaster Response Fund” as the single support fund to receive contributions through the Foundation’s normal contribution mechanisms, including district designated funds (DDF), for worldwide Rotarian response to disasters.

There shall be a five percent assessment from all cash contributions to the disaster response fund to cover the costs associated with these gifts.

The Fund Development and Programs Committees will evaluate the Disaster Response fund and grants every three years.
(October 2022 Trustees Mtg., Dec. 7)

33.120.1.1. Rotary Disaster Response Grant

The Rotary Disaster Response Grant is for the distribution of grants of up to US\$25,000 provided that funds are available from the disaster response fund.

34.010. Stewardship of Foundation Funds

The Trustees of The Rotary Foundation of Rotary International recognize that the funds received from Rotarians around the world are voluntary contributions reflecting their hard work and dedicated support. These Rotarians have entrusted The Rotary Foundation with their contributions with the faith and understanding that they will be used effectively and for the purposes for which they were given.

Therefore, the Trustees of The Rotary Foundation acting in their capacity as stewards of these funds, stress the importance of proper fiscal management in any activities associated with the programs of The Rotary Foundation. The Trustees rely on the integrity of the clubs and the Rotarians engaged in project implementation and other grant recipients to ensure that funds are used effectively for the purposes for which they were given. The Trustees will promptly investigate any irregularities coming to their attention and take whatever action may be appropriate.

The recipient of a grant or award, the grant's sponsor in application, the project committee, the selection committee, and all others associated with the grant or award are expected to

1. Treat Rotary Foundation grant funds as a sacred trust to be constantly safeguarded from loss, misuse, or diversion and to be used only for the stated purpose that shall be strictly interpreted
2. Exercise the highest attention to the prevention of even the appearance that Rotary Foundation funds are being used in an improper manner, whether such appearance may be in the eyes of Rotarians or the general public. Such attention is expected to go beyond that afforded to the use of private or corporate funds
3. Assure competent and thorough oversight of the project with clear delineation of responsibility
4. Conduct all financial transactions and project activity relating to the grant at least at the level of standard business practice and always in consonance with the "Declaration of Rotarians in Business and Professions" and in the full spirit of the Four Way Test

5. Report immediately any irregularity in grant-related activity to The Rotary Foundation
6. Implement projects as approved by the Trustees in their grant award. Any deviation from the agreed terms or changes in the implementation of the project must receive prior written authorization from The Rotary Foundation
7. Arrange for performance reviews and/or independent financial assessments in accordance with current Trustee policy and guidelines
8. Report on both program and financial activities on a timely and detailed basis
9. Be held accountable for appropriately addressing all concerns regarding project implementation for which notification has been sent
10. Demonstrate transparency in business transactions related to TRF program grants and awards by operating in a manner that avoids any actual or perceived conflict of interest.

(June 2015 Trustees Mtg., Dec. 146)

34.040. Grant Auditing and Monitoring Activities

34.040.1. **Definitions**

Auditing - Activities related to review of financial records and controls (and when necessary, forensic accounting) that can be completed by volunteers or outside contractors. An operational audit refers to a review of the books and records and the documentation of the system of controls for district qualification. Auditors perform these activities.

Monitoring – Activities related to review of project sponsors implementation of the project as approved with the grant, and compliance with appropriate guidelines.

Monitors perform these activities.

Annual Financial Assessment – An annual assessment of a district’s financial management plan and its implementation, which is required to maintain qualified status and is conducted by an independent firm or the district Rotary Foundation audit committee. (*October 2012 Trustees Mtg., Dec. 16*)

34.040.2. Audit and Monitoring Guidelines

Large grants require ongoing auditing and monitoring to ensure that any issues concerning mismanagement and misuse of funds are identified and addressed in a timely manner, thereby enhancing the likelihood of project success in reaching the intended beneficiaries. The guidelines that follow explain how these important stewardship tools for auditing and monitoring are employed in TRF’s large grants.

- Adequately budget for required auditor and monitor activities.
- Perform random and targeted audits each Rotary year.
- Schedule and conduct an interim monitor or audit of all global grants greater than a level three assessment after one year of the release of 30% funds to review accounts and address any preliminary issues.
- Volunteers as identified by The Rotary Foundation Cadre shall conduct TRF audits. The general secretary shall have the authority to identify projects that require an audit by an external contracted firm.

(*October 2022 Trustees Mtg., Dec. 7*)

34.040.3. District Leadership’s Role

34.040.3.1. General Guidelines

In every district in which The Rotary Foundation supports a club-sponsored grant project activity the district is ultimately responsible for such activities if the sponsoring club has been terminated or is otherwise unable to take responsibility for the grant.

District leaders play an important role in contributing to effective stewardship of TRF program resources.

The district governor, district governor-elect, and district Rotary Foundation committee (DRFC) chair serves with the members of the stewardship subcommittee in a district stewardship and oversight capacity to promote compliance with Rotary Foundation grants requirements and to ensure that any concerns are immediately reported to The Rotary Foundation.

The district officers encourage the highest levels of stewardship and transparency for the accounting of all Foundation funds. When allegations of malfeasance are reported to the general secretary, or when there are other queries related to possible or imminent audit activities, the general secretary will ask the district governor to provide more information about those allegations. If the district governor is implicated, the general secretary may ask other district leaders to respond to the allegations. Based on the district leader response(s), the general secretary will determine whether the allegations have merit, and take appropriate action. *(October 2012 Trustees Mtg., Dec. 16)*

34.040.4. Alleged Misuse of Foundation Grant Funds

34.040.4.1. *Policy For Responding To Allegations Of Misuse Of Foundation Grant Funds*

The Rotary Foundation is committed to reviewing, investigating and resolving all substantive issues related to the alleged misuse and mismanagement of funds it provides to support the activities of Rotary International, Rotary clubs, districts, Rotarians and other program participants. The Foundation's commitment to address these matters includes confidential submissions regarding potential accounting, control, legal, compliance, or other alleged abuses of TRF program funds, including failures to report as required.

Upon receipt of findings, the general secretary shall take all appropriate action to resolve cases of misuse or mismanagement of funds in a manner that supports the stewardship, compliance, oversight and fiduciary needs of TRF and RI. Two times per year, at the first and third meetings of the Trustees, the general secretary shall report his or her findings and resolutions of alleged misuse of Foundation funds. The general secretary shall also report any alleged improper conduct of current or past RI officers with respect to the program and activities of The Rotary Foundation. The general secretary shall forward all such semiannual reports to the RI president. In addition and as needed, the general secretary shall report to the trustee stewardship committee actions taken with respect to cases of special interest. *(October 2012 Trustees Mtg., Dec. 16)*

34.040.4.2. *Sanctions for Failure to Comply with Foundation Reporting Requirements or Stewardship Guidelines or Misuse or Mismanagement of Foundation Grant Funds*

The General Secretary may issue a letter of warning to any individual, club or district that has failed to comply with Foundation reporting requirements or stewardship guidelines or has misused or mismanaged Foundation grant funds stating that failure to comply may result in sanctions, including suspension of eligibility to be considered for future grants. Upon recommendation of the General Secretary the following additional sanctions may be imposed upon any

such individual, club or district. The trustee chair and the stewardship committee shall be notified of all actions taken.

Any of the following sanctions may be imposed as follows:

5. The trustee chair, with the informal consent of a majority of trustees, may suspend the club(s) or district(s) involved from participation in any Foundation program for a period of up to five years, or until certain conditions are satisfied.
6. The trustee chair, with the informal consent of a majority of trustees, may place the club(s) or district(s) on probation such that any further wrongful actions would automatically result in suspension from participation in Foundation programs for a period of up to five years, or until certain conditions are satisfied.
7. The Trustees may make a recommendation to the RI Board of Directors that the club be asked to terminate the membership of any Rotarian.
8. The trustees may make a recommendation to the RI Board of Directors that the club(s) involved be suspended from Rotary for a period of up to five years, or until certain conditions are satisfied.
9. The trustees may make a recommendation to the RI Board of Directors that the club(s) involved be terminated.
10. The stewardship committee acting on behalf of the Trustees may deem any organization ineligible to participate as a beneficiary or cooperating organization for a period of up to five years or until certain conditions are satisfied.

11. The stewardship committee, acting on behalf of the Trustees, may revise the conditions of a suspension of a club(s) or district(s) from participation in any Foundation program.

(October 2012 Trustees Mtg., Dec. 16)

34.050. Grant Reporting

Complete reports must be submitted to TRF every 12 months for the life of the grant with a final report due within two months of completion of the project. Incomplete reports may be returned to the project sponsor with a brief explanation of missing items. Complete reports must at minimum include the following:

1. Narrative statement with project outcomes clearly defined
2. Full description of Rotarian oversight, management and involvement with the project
3. Statement of income and expense
4. Bank statement that supports the statement of income and expense
5. Where there has been no independent financial assessment, copies of or original receipts, where expressly requested. Copies of receipts (or originals where requested) should be appropriately cross-referenced with the statement of income and expense to verify substantial expenses and fulfill legal requirements
6. Information regarding the impact of the project to the beneficiary

Failure to provide acceptable reports on previous grants in a timely manner will result in the sponsors (both international and local where appropriate) not being able to initiate new projects.

Sponsors must demonstrate significant progress within 12 months of the release of the first payment or the grant will be terminated. *(April 2011 Trustees Mtg., Dec. 123)*

34.050.1. Failure to Report

If club(s) and/or district(s) that have sponsored a grant do not fulfill grant reporting requirements, the following steps will be taken in an effort to obtain the report or the return of grant funds:

1. Grant sponsors will receive a reminder notice if 18 months or more have elapsed since grant funds were released or an acceptable progress report was submitted
2. If 24 months or more have elapsed since funds were released or an acceptable progress report was submitted a second reminder notice will be sent

3. If 30 months or more have elapsed since funds were released or an acceptable progress report was submitted, a third reminder notice will be sent. If the above noted warnings have been given and a subsequent acceptable report has not been submitted, by a sponsoring district, the general secretary will suspend the district and all member clubs from participation in Rotary grants until the overdue report is accepted.

If the above noted warnings have been given and a subsequent acceptable report has not been submitted by the sponsoring clubs, the general secretary will suspend the sponsoring clubs from participation in Rotary grants for two years and require the submission of a club stewardship plan. Club-sponsored grants will then become the responsibility of the district(s), which will have six months to submit an acceptable report. (*October 2022 Trustees Mtg., Dec. 7*)

34.050.2. Expectations for Being Current and Compliant with Reporting Requirements

An important component of effective stewardship is the preparation and submission of timely and accurate grant reports. Districts and their member Rotary clubs are expected to be consistently 100% current and compliant with reporting requirements.

The general secretary will notify districts of their reporting percentages on a quarterly basis and provide reports on world reporting compliance percentages to the Trustees at their April meeting. If a district is less than 70% compliant and has more than one grant overdue for each quarterly analysis of the same Rotary year, the general secretary will suspend the district and its member clubs from participating in Rotary Foundation grants and will send notice of such to the district leaders who will inform Rotary clubs of the suspension. Such suspension will remain in effect until the district and its member clubs are at least 90% compliant with reporting requirements and all district sponsored grants are compliant with reporting requirements. Foundation-approved global grant scholarships shall be exempt from payment restrictions that are a result of such suspension unless the Stewardship Committee, acting on behalf of the Trustees, makes an exception to this policy. (*October 2013 Trustees Mtg., Dec. 42*)

34.050.3. Recognizing Districts for Grant Reporting Compliance

The general secretary will annually present an electronic certificate, bearing the signature of the Trustee chair, to each district that is at least 90 percent compliant with grant reporting requirements and meets the following criteria:

1. The district (including its member clubs) must be at least 90 percent compliant with grant reporting requirements in each quarterly analysis performed by the general secretary.
2. The district (including its member clubs) must have more than one open grant in each quarterly analysis

3. The district must be 100 percent compliant with grant reporting requirements for district grants and all district-sponsored grants in each quarterly analysis and at the time the certificate is presented
4. The district must not be suspended from participation in Rotary grants at any point during the Rotary year; and
5. The district must not have any outstanding stewardship requirements at the end of the Rotary year

35.010. General Policies

The Trustees have approved the Rotary Peace Centers as a program of The Rotary Foundation. The Rotary Peace Centers should be marketed as a major educational priority of RI in achieving The Foundation's mission for world understanding and peace. The Rotary Foundation will make an in-depth review of the program on three year intervals and make evaluations of the program at each university every three years, or at any time there may be concerns with the performance of a specific Rotary Peace Center partner university, and submit a report to the Trustees at their next meeting following such evaluation. The Rotary Peace Centers shall be governed by the policies set forth in this article; the criteria relating to district grants and global grants shall not apply. *(October 2021 Trustees Mtg., Dec. 15)*

35.010.1. Core Concept

1. Seven Rotary Peace Centers will exist at eight recognized universities, in diverse geographical locations, with superior curricula and faculty in peace and development studies.
 - The individuals selected to study at Rotary Peace Centers will be known as Rotary Peace Fellows.
2. Up to 130 Rotary Peace Fellows will be selected by The Rotary Foundation of Rotary International, and proposed to study at one of the seven Rotary Peace Centers. Up to 50 fellows will be chosen for the master's degree program and up to 80 fellows will be chosen for the year-long certificate program each year. The number of fellowships awarded shall be subject to annual review by the Trustees.
 - Candidates for the Rotary Peace Fellowships must have the requisite training, academic background and significant work experience in relevant fields as required by the university partners for a master's level program or for the certificate program, so that the candidates selected will have the ability to make the greatest impact on peace and development during their future careers.

3. Rotary Peace Fellows will study for up to two academic years in master's degree programs related to peace and development at five Rotary Peace Centers, and for one year in the certificate program at two Rotary Peace Centers.
 - Included in the study period, Rotary Peace Fellows will participate in an annual seminar to present their research and discuss issues related to peace and development for report to the Rotary world, external audiences, and the international media.

(April 2023 Trustees Mtg., Dec. 90)

35.020. Funding

Funding for the up to 130 fellowships each year will be sought from districts through district designated funds. This DDF allocation is not associated specifically with fellows selected by their districts. Districts will support the Rotary Peace Centers program by providing district designated funds to fund up to 130 fellows selected on a world-wide competitive basis. Additional funding will come from designated gifts and the World Fund. *(November 2020 Trustees Mtg., Dec. 60)*

35.020.1. Restricted Gifts

The Trustees have established a pooled fund within the Endowment Fund for gifts of less than US\$25,000 to be restricted to the Rotary Peace Centers.

The Rotary Foundation may accept outright major gifts contributions of US\$10,000 or more from individuals, clubs, or districts to provide funding to support Rotary Peace Fellowships. Such contributions will be held in reserve until the next annual Rotary Peace Fellowship selection process. These restricted contributions will not be subject to the three-year SHARE cycle. *(October 2013 Trustees Mtg., Dec. 32)*

35.020.2. Fund Development Plan for Endowed Support

The Trustees have adopted the fund development plan found in the “Supporting Documents” for this Code to raise a cumulative amount of US\$150 million in term and endowed support to cover Rotary Peace Fellowship program expenses by 30 June 2017. The Trustees shall consider providing World Fund support in future budgets to help cover any short-term funding gaps for the Rotary Peace Centers.

Donations of District Designated Funds, either from a single district or multiple districts, may be accepted to establish endowments within the Endowment Fund with the annual spendable earnings to be applied to Rotary Peace Fellowships. Districts may request to transfer District Designated Funds into pooled endowed funds for the support of Rotary Peace Centers.

The program award portion of the spendable earnings for the Rotary Peace Centers endowed fund not used in the Rotary year for which they are budgeted will be rolled over for use in a subsequent year. (*January 2015 Trustees Mtg., Dec. 67*)

35.020.3. Rotary Peace Centers Naming Opportunities

There is no spendable earnings threshold for endowed Rotary Peace Fellowships. Peace fellowships will be awarded based on a funding schedule determined by the gift value and naming opportunities of endowed funds as follows:

Contribution (US\$)	Naming Opportunity	Description
\$1,500,000	Rotary Peace Fellows (every year)	Endows one Rotary Peace Fellow at a two-year Rotary Peace Center every year
\$1,000,000	Rotary Peace Fellows (every two years)	Endows one Rotary Peace Fellow at a two-year Rotary Peace Center every two years
\$750,000	Rotary Peace Fellow (every 3 years)	Endows one two-year Rotary Peace Fellow at a Rotary Peace Center every three years
\$500,000	Rotary Peace Fellow (every 4 years)	Endows one two-year Rotary Peace Fellow at a Rotary Peace Center every four years
\$250,000	Certificate Program Center Fellow	Endows a certificate program Fellow every year
\$25,000 and up	Rotary Peace Center General Support	Endows a fund bearing the donor's name and provides general support to the program

(*January 2014 Trustees Mtg., Dec. 57*)

35.020.4. Pioneer Districts

Districts that committed funding from their district designated funds equal to US\$50,000 for the 2002-04 or 2003-05 years are known as Pioneer Districts. (*April 2002 Trustees Mtg., Dec. 107*)

35.020.5. Global Peacebuilder District

Districts that contribute to Rotary peacebuilding activities with an annual district donation of US\$25,000 or more, will receive Global Peacebuilder District recognition during the year in which they donate.

These donations can be directed to either the Rotary Peace Centers or the Peacebuilding and Conflict Prevention area of focus for immediate expenditure, or any endowment that supports the Rotary Peace Centers or global grants in Peacebuilding and Conflict Prevention. The name of this recognition program will now be the ‘Global’ Peacebuilder District program.

Districts can count any and all DDF contributions and district cash gifts to these funds, in order to achieve Global Peacebuilder District status. Districts must self-identify as a Global Peacebuilder district and shall be recognized as a Global Peacebuilder district upon their initial contribution of \$25,000. *(June 2020 Trustees Mtg., Dec. 149)*

35.020.6. Pioneer Peacebuilder District

Pioneer Districts that support the third and future classes of Rotary Peace Fellows at one of the levels stated in Rotary Foundation Code of Policies section 13.020.5. will be recognized as “Pioneer Peacebuilders.” *(April 2002 Trustees Mtg., Dec. 107)*

35.020.7. Discretionary Funding

Discretionary funding is provided to each Rotary Peace Center partner university to assist Rotary Peace Fellows in meeting various expenses, at an amount and under terms established by the general secretary. *(April 2005 Trustees Mtg., Dec. 95)*

35.020.8. Directed Gifts

A five percent deduction will be assessed from all directed gifts for the Rotary Peace Centers to cover the administrative and program costs associated with these gifts. *(August 2018 Trustees Mtg., Dec. 6)*

35.020.9. Japan Rotary Peace Centers Endowment Fund

The Trustees have established the Japan Rotary Peace Centers Endowment Fund to support the Rotary Peace Centers program. *(August 2018 Trustees Mtg., Dec. 6)*

35.020.10. Endowed Fund Naming Opportunities for Makerere University Rotary Peace Center

The Trustees have established naming opportunities to support fundraising efforts for the Makerere University Rotary Peace Center.

\$1,000,000	Endowed Rotary Peace Fellowships Endows four Makerere Rotary Peace Fellows each year
\$500,000-\$1,000,000+	Entrepreneurial Endowed Fund for Peace Provides partial to full support for new opportunities within the Makerere Rotary Peace Center, including workshops, retreats, and other new initiatives
\$500,000	Endowed Rotary Peace Fellowships Endows two Makerere Rotary Peace Fellows each year
\$250,000	Endowed Rotary Peace Fellowship Endows one Makerere Rotary Peace Fellow each year
\$100,000	Endowed Rotary Peace Center Annual Seminar Endows the annual seminar at the Makerere Rotary Peace Center
\$25,000	Endowed Fund for General Support Provides general support for the Makerere Rotary Peace Center.

(January 2020 Trustees Mtg., Dec. 61)

35.030. Recognition

Recognition for Global Peacebuilder Districts includes a certificate and a digital package of printable Global Peacebuilder District signage that can be used at district events, conferences, and elsewhere. *(April 2023 Trustees Mtg., Dec. 90)*

35.040. Award Amount

Funding provided to Rotary Peace Fellows will be for a maximum of two years and limited to the following categories:

Transportation: Fellows will receive transportation between their home and study cities at the start and end of the fellowship. Because round-trip tickets are only valid for twelve months, Rotary Peace Fellows may receive two one-way tickets.

Room and Board: Fellows will receive a monthly stipend for room and board based on the reasonable cost of student living in the study area. The committee recommends that additional funding in hardship cases be considered.

Applied Field Experience (AFE): Fellows will be asked to submit proposals for use of AFE funds. Fellows may propose a travel and research budget to carry out their AFE outside of their host country. All proposals must have the support of their academic adviser and be approved in advance by The Rotary Foundation.

The Rotary Foundation will provide a lump sum to Rotary Peace Fellows with an approved budget.

Educational Expenses (Tuition and fees): Fellows will receive funding for registration, tuition for a normal course load as defined by the institution and other necessary educational expenses for up to two years. Limited conference funding is provided. Two years would be the absolute limit for funding. Fellows will be encouraged to return home after their second year of study.

Miscellaneous: Fellows would receive a contingency fund to cover books and supplies, other contingencies, ambassadorial costs and unexpected expenses. No allowance would be given for dependents. In addition, thesis expenses are factored into the final cost assumptions. *(April 2023 Trustees Mtg., Dec. 90)*

35.050. Fellow Eligibility and Selection Process

Candidates for the Rotary Peace Fellowship should be experienced professionals and have completed a minimum of three years for the master's program and five years for the certificate program combined paid or unpaid full-time work experience in a relevant field.

The Rotary Foundation welcomes eligible candidates from all backgrounds. While we do not have a specific age requirement, we are looking for early-career candidates for the master's degree program, and mid-career candidates for the certificate program. Successful candidates will have both a record of prior achievements in peacebuilding and potential for future growth and impact resulting from their participation in the fellowship.

Candidates must demonstrate English proficiency. Candidates are required to submit all language and academic exam scores required by the preferenced partner universities in order to be considered as part of the world-competitive selection process.

Master's candidates may only apply to a Rotary Peace Center located in a country other than their home country or permanent residence. Certificate candidates may apply to a Rotary Peace Center located in their home country.

All candidates should have a demonstrated interest in peace and international understanding through their personal and community service activities and/or academic and professional achievements.

TRF will select Rotary Peace Fellows from various countries and diverse backgrounds, in order to advance knowledge and world understanding among potential future leaders.

Relevant experience should promote peace and/or development on the local, regional, national, or international level. This experience can be across a variety of sectors such as government, NGO, non-profit, military, journalism, law, education, or public health, among others. (*April 2023 Trustees Mtg., Dec.90*)

30.040. Conflict of Interest Policy for Program Participants: Award Recipient Eligibility

35.050.1. District Committee

As of 1 July, 2019, the district peace fellowships subcommittee chair is a mandatory position. It is recommended that the committee supporting Rotary Peace Fellowship applications include the district peace fellowships subcommittee chair, current district governor, the governor-elect, immediate past governor, Rotary Foundation committee chair, and three Rotarians or non-Rotarians with expertise in the field(s) of peace and conflict resolution and/or education and/or civic or business leadership.

There shall be no limit to the number of Rotary Peace Fellow candidates a district may recruit, mentor, and recommend for the annual world competitive selection process.

Candidates must have at least three years between the completion of their most recent academic degree program (i.e. undergraduate or graduate degree) and their intended start date for the fellowship. Candidates currently enrolled in an undergraduate or graduate program are not eligible to apply.

Additionally, a standardized three-year waiting period is required between Rotary Peace Fellowship programs and for Global or District Grant Scholars applying to the Rotary Peace Fellowship. (*April 2023 Trustees Mtg., Dec. 90*)

35.050.2. Rotary Peace Centers Selection Committee

The Rotary Peace Centers Committee reviews all complete and qualified applications, selects finalists for the Rotary Peace Fellowship, strengthens awareness of and supports the Rotary Peace Centers program and monitors and evaluates intended program outcomes.

Qualified candidate applications will move forward for consideration by a Rotary Peace Centers selection committee that is comprised of Rotarians, specialists in the field, representatives from the selected universities, or a mixture thereof. For cases when a qualified candidate is unable to complete an interview within the endorsement process timeframe due to unresponsive endorsers and inability to reassign time, Rotary Peace Centers staff have the authority to move the qualified candidate forward for consideration by the rotary Peace Centers selection committee in the interest of time and fairness.

Rotary Peace Fellowships will be awarded on a world-competitive basis to up to 130 candidates for study at one of the seven Rotary Peace Centers. Candidates will be chosen from various countries and diverse backgrounds and regions of the world when it is feasible and consistent with the objectives of selecting the most qualified candidates for each Center's program. (*April 2023 Trustees Mtg., Dec. 90*)

35.050.3. World-Competitive Selection Process Guidelines

1. Each master's and certificate application will be read by a minimum of four application evaluators: one application evaluator from the applicant's first university preference and three Rotary application evaluators, including at least one Rotary Peace Centers (RPC) Committee member or recent past committee member. To avoid the appearance of a conflict of interest, candidates will not be evaluated by Rotary members who have recommended them.
2. These applications will be provided to the application evaluators prior to the selection committee meeting.
3. The Rotary application evaluators will evaluate each assigned application using The Rotary Foundation criteria of commitment to peace, leadership qualities, and compatibility of the applicant's objectives with the Rotary Foundation's objectives. The Rotary application evaluators will provide their scores and comments on each applicant to the general secretary by the deadline determined by the general secretary.
4. In the case of the master's degree applications, the university application evaluators will evaluate the first and second preference applications for their center within the top 200 applications as determined by the application evaluators' scores using the university's own academic criteria, fit with center, and Rotary scores and comments. University application evaluators will be given access to all of their first and second preference qualified applications. However, they must justify any choice below the top 200 threshold in advance of selection meeting. Each center will submit its scores and comments to the general secretary and conditionally select its top ten candidates from the top 200 master's degree candidates. This list will be shared with the RPC Committee prior to the selection meeting. Members of the RPC Committee will evaluate these candidates and discuss during selection meeting before a joint selection is made on the final candidates from each center.
5. In the case of the certificate applications, the university application evaluators will evaluate first and second preference applications for all candidates eligible for selection to their center after receiving the scores of the Rotary application evaluators. The university application evaluators will evaluate all applications using the university's own academic criteria, fit with center, and Rotary scores and comments. The center will submit its scores and comments to the general secretary and compile a list of its top 20 candidates per session.

This list will be shared with the RPC Committee prior to the selection meeting. Members of the RPC Committee will evaluate these candidates and discuss during the selection meeting before a joint selection is made on the final candidates from each center.

6. At the RPC Committee meeting, discussion among Rotarians and university representatives will result in consensus on the final list of up to 130 candidates so that each master's degree program has up to ten fellows and six alternates and each certificate session has up to 20 fellows and eight alternates.
7. Centers are encouraged to forward the name of any exceptional, non-selected candidates to the applicant's second university preference so that the second preference university may consider including that applicant on its list.
8. Once the RPC Committee has finalized the selection, the list of recommended master's degree and certificate finalists will be submitted to the general secretary and Trustee chair for final approval.

(April 2023 Trustees Mtg., Dec. 90)

35.060. Ambassadorial Activities of Rotary Peace Fellows

The recommended ambassadorial activities for Rotary Peace Fellows are as follows:

35.060.1. Activities During the Fellowship

As part of their regular ambassadorial responsibilities, Rotary Peace Fellows will be expected to speak to Rotary groups and other organizations before, during and after their fellowship in their home and study countries.

In addition to club talks about their host/sponsor countries, Rotary Peace Fellows will be expected to be available to participate in district, zone and international events.

All fellows will be asked to respond to evaluation surveys during and upon completion of their fellowship program.

Rotary Peace Fellows at each institution will participate in annual seminars to share ideas and network. Rotary Peace Fellows are invited to present their research and enter into small group and large group discussions.

Rotary Peace Fellows may be asked to collaborate and participate in the preparation of a document containing their findings as part of the seminar or degree requirements.

Rotary Peace Fellows in their second year may be asked to serve as a mentor to a first year Rotary Peace Fellow.

Applied field experience of Rotary Peace Fellows shall be conducted in a country other than the fellow's country of citizenship, with requests for exceptions to be considered by the trustee chair. *(November 2020 Trustees Mtg., Dec. 60)*

35.060.2. Activities After the Fellowship

Following the completion of the program, Rotary Peace Fellows may be invited to participate in subsequent seminars.

Rotary Peace Fellow alumni will also be encouraged to join the Rotary Peace Fellowship alumni association and participate in district, zone and international Rotary meetings, represent The Rotary Foundation of Rotary International at professional or academic conferences, and, when appropriate, advise on projects at the club and district level.

It is preferred that fellows return home at the completion of their studies; however, it is recognized that because of the international scope of their study fields, their careers may require them to reside outside of their sponsor district or country. Fellows who do not return home after completion of their studies will be expected to fulfill post-program ambassadorial duties in their country of residence.

Rotary Peace Fellows will be admitted to and work toward an advanced or secondary degree in two years (e.g. masters). It is recognized that some candidates may be offered an opportunity to continue their studies for a Ph.D. (at their own expense), but Rotary Peace Fellows will be required to obtain a master's degree first. *(November 2020 Trustees Mtg., Dec. 60)*

35.070. Responsibilities of Districts

35.070.1. Sponsor Districts

Sponsor districts shall:

1. Promote the program locally to attract superior candidates.
2. Provide appropriate orientation to ensure that fellows understand the mission of The Rotary Foundation and their responsibilities as alumni.
3. Maintain close contact with the fellow during his or her fellowship period. Publicize the fellow's activities to the district.
4. Consider developing club and/or district international service projects or Foundation programs around the fellow's experience or research projects.
5. Upon his or her return home, invite the fellow to speak at the district conference and to as many local clubs as possible. Arrange for the fellow to speak to non-Rotary organizations.

6. Maintain contact with each Rotary Peace Fellow after his or her fellowship period, inform The Rotary Foundation of address changes, stay abreast of his or her career progress, and involve him or her in district activities.
7. Assist in evaluating the program on a regular basis by completing surveys and offering feedback.

(November 2020 Trustees Mtg., Dec. 60)

35.070.2. Host Areas

Host areas are designated by the Rotary district in which a RPC is located and share the hosting responsibilities of the Rotary Peace Fellows. *(November 2020 Trustees Mtg., Dec. 60)*

35.070.3. Responsibilities of Host Areas

1. Should be available to assist in evaluating the Rotary Peace Center in their host area.
2. Should appoint a host counselor for each of the Rotary Peace Fellows assigned to the host area to carry out counselor responsibilities in accordance with existing policies.
3. Shall provide appropriate orientation to ensure that fellows understand the mission of The Rotary Foundation and their responsibilities as alumni.
4. Are encouraged to provide homestay arrangements for Rotary Peace Fellows during and after their program, when appropriate.
5. Should arrange for speaking engagements of Rotary Peace Fellows at district conferences and Rotary club meetings.
6. Should assist in evaluating the program on a regular basis by completing surveys and offering feedback.

(November 2020 Trustees Mtg., Dec. 60)

35.070.4. Host Area Coordinators

The chair of the Trustees, in consultation with the local regional Rotary Foundation coordinator(s) and host district leadership, will appoint one host area coordinator for each Rotary Peace Center on an annual, renewable basis, with a three-year term limit. The host area coordinator shall fulfill the following responsibilities:

1. Promote the program to Host Area clubs and districts, providing opportunities for involvement as appropriate.
2. Appoint a primary – and if appropriate, secondary – Rotarian Host Counselor for each inbound Rotary Peace Fellow, in consultation with the Host Area District Governor and District Rotary Peace Fellowship chair. In addition, the

Rotary club of the Host Counselor is encouraged to be involved with hosting the inbound fellow.

3. Coordinate requests from area Rotarians to visit the university and to meet with the Rotary Peace Center director or faculty.
4. Coordinate requests from area Rotarians to invite Rotary Peace Fellows to attend or speak at Rotary events in the host area (e.g. District Conferences, Rotary Institutes, Foundation Seminars), and coordinate invitations for Rotary Peace Fellows to visit Rotarian homes for school breaks, holidays, etc.
5. Encourage and coordinate requests from area Rotarians to invite Rotary Peace Center faculty to attend or speak at Rotary events in the host area as a way to increase knowledge among Rotarians of faculty expertise and experience, and to increase awareness among university faculty of Rotary programs and projects, particularly those that could benefit from mutual cooperation.
6. Review requests for fellow or faculty participation in local Rotary events with the Rotary Peace Center director or coordinator, providing as much advance notice as possible and attempting to match fellow and faculty expertise with district interests, while recognizing the importance of managing a balance between academic and ambassadorial responsibilities.
7. Support center director, as appropriate, in meeting program needs that can be enhanced by local Rotary participation (e.g. internships, service projects).
8. Maintain open and direct communication between the university and the Host Area Rotarians, communicating important Rotary Peace Center university news and updates to Host Area clubs and districts, and sharing Rotary news and updates with the Rotary Peace Center director.
9. Maintain regular communication with the regional Rotary Foundation coordinator and The Rotary Foundation to receive and provide program updates. Assist in program evaluation, as directed by the Rotary Peace Centers committee, if necessary.
10. Facilitate all Rotary Peace Fellows' attendance, individually or in groups, at significant Rotary events, particularly within the first three months of the beginning of classes in the host area.
11. Provide an orientation for Rotary Peace Fellows' Host Counselors.
12. Organize and chair an informational and motivational Orientation Session to be attended by the Rotary Peace Fellowships subcommittee chair, to include the inbound Rotary Peace Fellows, and their Host Counselors participation.
13. Participate in the partner university's orientation for Rotary Peace Fellows, as appropriate, in coordination with the Rotary Peace Center director.
14. Promote Rotarian participation at the Rotary Peace Center Annual Seminar, in coordination with the University Peace Center director or coordinator.

15. Appoint and oversee, in conjunction with the regional Rotary Foundation coordinator and Host District Governor, a Host Area committee, to assist in these tasks, as needed.

50.040. Rotary Exchange Rates

The audited financial statements of The Rotary Foundation of Rotary International present the consolidated financial impact of the activities undertaken by the organization on a global basis. 1. The Rotary Foundation of Rotary International will establish the Rotary Exchange Rates for foreign currency translation.
 - The exchange rates will be in compliance with US Generally Accepted Accounting Principles.
2. The exchange rates will be sufficiently accurate to provide a clear picture of the operations.
 - The general secretary, through delegation to the chief financial officer, will be responsible for maintaining a procedure for the calculation and reporting of the exchange rates.

Grants that carry restrictions may be accepted by the Trustees, provided that such restrictions do not contravene policies or fundamental principles of Rotary International. The general secretary is empowered to implement this policy and shall confer with the president of RI and the chair of the Trustees as necessary and shall inform them promptly of all such gifts. *(April 2000 Trustees Mtg., Dec. 126)*

- A named or memorial pooled Endowment Fund gift can be established by a district as a restricted-purpose fund, by agreement with the Foundation in advance of receipt of any gift directed to such a pool, provided that, if its income is to be further designated as to purpose, the pooled fund meets the usual requirements of the program or activity to which its income is designated. Once the required amount of the contribution is met, earnings from the corpus of the endowed fund will be distributed in accordance with the Trustee-approved Endowment Fund spending policy. 51.010. Statement of Principles for Contribution Recognition

Contribution recognition of donors' investment in the Foundation's mission and programs should:

1. be simple for donors to understand;
2. be as simple as possible for The Rotary Foundation to administer;
3. recognize donors by cumulative, yearly, major, and will or estate plan provision giving;
4. bestow increasing recognition for yearly and extraordinary gifts;
5. provide type(s) of individual recognition per gift;
6. provide for "wearable" recognition (e.g., lapel pins) which publicly acknowledges donors' investment in The Rotary Foundation;
7. facilitate the expression of more personal peer recognition at higher levels;
8. encourage repeat gifts;
9. promote generous personal giving by all Rotarians;
10. encourage large and lasting gift commitments;
11. contribute to ongoing donor relationship building and encourage constantly increasing levels of program and financial participation.

(April 2000 Trustees Mtg., Dec. 126)

51.020. Major Gifts Recognition

51.020.1. Guidelines for Major Donor and Arch Klumph Society Recognition

1. Only outright personal contributions to The Rotary Foundation qualify for Major Donor and Arch Klumph Society recognition. Contributions from spouses are typically combined. Contributions from a family-controlled

business or a family foundation may be considered outright personal contributions for Major Donor and Arch Klumph Society recognition purposes. Corporate matching gifts from a non-family-controlled business or family foundation qualify the corporation, but not the employee whose gift is being matched, for Major Donor and Arch Klumph Society recognition.

2. Major Donor and Arch Klumph Society recognition cannot be extended to someone other than the donor of the contribution.
3. Major Donor and Arch Klumph Society recognition is reserved for individuals. Non-Rotary affiliated foundations and corporations may qualify on a case-by-case basis. A Rotary club or district is not eligible.
4. Contributions accumulate and donors may be recognized as they reach each successive level.
5. The levels established for Major Donor recognition are:

Level 1:	\$10,000 - \$24,999.99
Level 2:	\$25,000 - \$49,999.99
Level 3:	\$50,000 - \$99,999.99
Level 4:	\$100,000 - \$249,999.99

6. Major Donors receive pins and pendants with a number of stones corresponding to the level of contribution.
7. The levels established for Arch Klumph Society recognition are:

Level 1	Arch Klumph Society Trustees Circle	\$250,000 - \$499,999.99
Level 2	Arche Klumph Society Chair's Circle	\$500,000 - \$999,999.99
Level 3	Arch Klumph Society Foundation Circle	\$1 million - \$2,499,999.99
Level 4	Arch Klumph Society Platinum Trustees Circle	\$2.5 million - \$4,999,999.99
Level 5	Arch Klumph Society Platinum Chair's Circle	\$5 million - \$9,999,999.99
Level 6	Arch Klumph Society Platinum Foundation Circle	\$10 million and above

8. Arch Klumph Society members receive pins and pendants with a number of stones corresponding to the level of contribution. In addition, members are entitled to pins and pendants that will signify membership but not indicate the level of giving.
9. Arch Klumph Society donors may name recipients to the Arch Klumph Society Circle of Honor with new cash contributions of \$250,000 or more.

10. Recognition for all irrevocable life income gifts, such as charitable gift annuities and charitable remainder trusts, in which the Rotary Foundation is named as a charitable remainder beneficiary will be based on the face value of the donation and subsequent additions.

11. Recognition for fully paid irrevocable life insurance policies received (owned by and payable to The Rotary Foundation), which are written on the life of an adult donor, shall be based on the greatest determinable value of such policies (usually the “face value”) as long as the minimum cash value is US\$10,000.

(January 2020 Trustees Mtg., Dec. 61)

51.020.2. Bequest Society Levels

Bequest Society members are individuals and couples who have made commitments for future gifts to The Rotary Foundation.

Level 5:	US\$250,000 - \$499,999.99
Level 6:	US\$500,000 - \$999,999.99

The general secretary shall offer pins and pendants for each level of the Bequest Society.

The general secretary shall offer a universal pin and pendant for Bequest Society levels of US\$250,000 and above. *(April 2019 Trustees Mtg., Dec. 94)*

51.020.3 Legacy Society Levels

A Legacy Society member is an individual or couple who have made commitments to Rotary’s Endowment in the cumulative amount of US\$1 million or more. The levels established for the Legacy Society recognition are as follows:

51.030. Paul Harris Fellow Recognition

51.030.1. Paul Harris Fellow Recognition

The designation “Paul Harris Fellow” shall apply to those contributors to The Rotary Foundation whose contributions total \$1,000 or more and to those individuals on whose behalf contributions of \$1,000 or more have been contributed.

Paul Harris Fellow recognition is provided only to individuals.

Paul Harris Fellow recognition credit remains in the donor’s account and cannot be extended to others like Foundation recognition points. *(April 2010 Trustees Mtg., Dec. 103)*

(*October 2012 Trustees Mtg., Dec. 16*)

51.030.6. Multiple Paul Harris Fellow Recognition Policies

Each Paul Harris Fellow Recognition awarded must represent US\$1,000 in contributions to The Rotary Foundation. A current Paul Harris Fellow who makes an additional US\$1,000 contribution may choose to receive multiple Paul Harris Fellow Recognition for him/herself and to name another person as a Paul Harris Fellow or to name several persons as Rotary Foundation Sustaining Members, at the time of the contribution or at a future time. (*April 2000 Trustees Mtg., Dec. 126*)

51.030.7. Use of Foundation Recognition Points

Foundation recognition points are awarded to donors who contribute to The Rotary Foundation through the Annual Fund, PolioPlus, the World Fund and as a sponsor portion to a Foundation grant. Donors receive one Foundation recognition point for every US dollar contributed to these funds. Foundation recognition points can be extended by the donor to others to help them become or name them as a Paul Harris Fellow or multiple Paul Harris Fellow. Foundation recognition points belong to the original donor until his or her death, or until he or she uses the points (the surviving spouse of a major donor may also use the points).

Use of Foundation recognition points requires the approval of the donor. Unauthorized use of Foundation recognition points by any other individual, regardless of the intent or purpose, is prohibited and may be subject to sanctions imposed by The Rotary Foundation. 51.030.11. Paul Harris Fellow Recognition

The general principle governing eligibility of Paul Harris Fellow Recognition credit should be based upon non-Endowment Fund and non-directed gift contributions to support the programs of The Rotary Foundation. Contributions to the following qualify for Paul Harris Fellow Recognition credit:

- Annual Fund
- Approved global grants--sponsor portion
- PolioPlus
- World Fund

In view of its separate recognition program, contributions to the Endowment Fund of The Rotary Foundation shall not qualify for Paul Harris Fellow Recognition credit. *(October 2019 Trustees Mtg., Dec. 45)*

51.030.12. The Paul Harris Society

The Trustees have adopted the Paul Harris Society (PHS) as an official Rotary Foundation donor recognition for those individuals who elect to personally contribute US\$1,000 or more each year to the Annual Fund, Polio or an approved Rotary Foundation grant. Paul Harris Society contributions are eligible toward Rotary Foundation Sustaining Member (Annual Fund contributions only), Paul Harris Fellow, multiple Paul Harris Fellow, Major Donor and Arch Klumph Society donor recognition. *(January 2013 Trustees Mtg., Dec. 60)*

51.030.12.1. Official Paul Harris Society Wearable Recognition

The Trustees have adopted a chevron-style Paul Harris Society stand-alone pin as the official Paul Harris Society wearable recognition item.

The Paul Harris Society wearable recognition will be provided to all districts for presentation to individuals giving at the Paul Harris Society level or above. *(January 2013 Trustees Mtg., Dec. 60)*

51.030.12.2. Recognition Banner for 100% Paul Harris Society Club

The 100% Paul Harris Society Club recognition banner is awarded to clubs where every active (dues-paying) member has contributed a minimum of US\$1,000 to the Annual Fund, PolioPlus, or Global Grants during a given year. (*October 2015 Trustees Mtg., Dec. 7*)

51.040. Major Gifts Initiatives Naming Opportunities

51.040.1. Directed Gifts Naming Opportunities for Rotary Peace Symposiums

Special directed gift naming opportunities are available to those who wish to support an approved Rotary Peace Symposium. Because these gifts are typically expended within two years of receipt, they must be outright gifts.

\$400,000–\$500,000 Rotary Peace Symposium Sponsorship

Provides leadership gift to underwrite costs of the Rotary Peace Symposium and related activities. Sponsorship reflects actual cost of that particular event.

\$50,000–\$100,000 Rotary Peace Symposium Designated Gift, Full Funding

Provides full funding for a donor-specified element of Rotary Peace Symposium operating expenses (speakers, Rotary Peace Fellow travel, etc.)

\$10,000–\$25,000 Rotary Peace Symposium Hosted Event

Provides funding for receptions and other celebrations connected to the Rotary Peace Symposium

\$10,000 and up Rotary Peace Symposium General Support

Gifts of \$10,000 or more can be used for general support of an approved Rotary Peace Symposium. (*August 2018 Trustees Mtg., Dec. 6*)

51.040.2. Entrepreneurial Fund Endowed and Directed Gifts

Endowed gift naming opportunities may be supported through outright or planned gifts. Directed gifts are fully expended, usually within 24 months. These gifts work within the current global grant or Rotary Peace Centers structure, and have appeal to donors who seek to inspire and support new programs.

\$500,000–\$1 million Entrepreneurial Endowed Fund for Peace

Spendable earnings provide partial to full support for new opportunities within Rotary's peace programs. Examples may be workshops, retreats, and other new initiatives.

\$75,000–\$1 million Entrepreneurial Directed Gift for Peace

A gift that is fully expended on new opportunities within Rotary's peace programs. Examples may be workshops, retreats, and other new initiatives. (*August 2018 Trustees Mtg., Dec. 6*)

51.050. Other Recognition

51.050.1. Gifts of Insurance

51.050.1.1. Cash Value

Gifts of life insurance that have a cash value are eligible for Benefactor recognition, while those that have no cash value and are part of a “group term policy” are not eligible for this recognition. *(April 2000 Trustees Mtg., Dec. 126)*

51.050.1.2. Paul Harris Recognition

If The Rotary Foundation is made the owner and beneficiary of a life insurance policy with an absolute right to borrow against such policy, the cash value of that policy will not be reckoned for Paul Harris recognition. All proceeds received from the death benefits of such life insurance policies will be placed in the Endowment Fund, unless the donor has specifically given instructions to the contrary. *(April 2000 Trustees Mtg., Dec. 126)*

51.050.1.3. Benefactor Recognition

1. Recognition for fully paid irrevocable life insurance policies received, owned by and payable to The Rotary Foundation that are written on the life of an adult donor, shall be based on the greatest determinable value of such policies as long as the minimum cash value thereof is US\$1,000.
2. Fully paid irrevocable life insurance policies received, which are written on the life of an individual under age 21 and which have a minimum cash value of US\$1,000, shall be eligible for “Benefactor” recognition.
3. Benefactor recognition will be given only to the insured.
4. Recognition for all irrevocable life income gifts, such as charitable gift annuities and charitable remainder trusts, shall be based on the greatest determinable value of such gifts.

(April 2000 Trustees Mtg., Dec. 126)

51.050.2. Major Gifts Pledges

For major gifts recognition the Foundation recognizes pledges for the entire pledge amount, after receipt of the initial payment and a signed pledge agreement. A pledge term of more than three years or gift amount of less than US\$10,000 must be discussed with the appropriate member of the fund development staff prior to acceptance. *(June 2001 Trustees Mtg., Dec. 207)*

51.050.3. Husband and Wife Benefactors

In the case of Benefactor recognition, if the contribution is at least US\$2,000 (the minimum outright contribution for two Benefactors), recognition is given to both

husband and wife at the request of the donor. *(April 2000 Trustees Mtg., Dec. 126)*

51.050.4. Club Annual Giving Recognition Banner

There shall be a banner recognizing Annual Fund giving for the three highest clubs in Annual Fund giving per capita in each district each year. The award shall only be awarded to clubs with per capita Annual Fund giving of US\$50 or more. *(October 2019 Trustees Mtg., Dec. 27)*

51.050.5. Club Annual Giving

There shall be two club banners recognizing annual giving at the club level:

1. the first, for the three highest clubs in annual giving per capita in each district each year
2. the second, for the three highest clubs in total annual giving in each district each year.

(April 2000 Trustees Mtg., Dec. 126)

51.050.6. Businesses Assisting the Foundation

The Trustees have approved a certificate for contributions from corporations or companies who make a contribution to The Rotary Foundation of US\$1,000 or more. *(April 2000 Trustees Mtg., Dec. 126)*

51.050.7. Endowment Fund Gift Principal and/or Income

51.050.7.1. *Individuals*

Unrestricted and restricted gifts to the Endowment Fund create eligibility for recognition available to individuals as follows:

1. The donor is recognized as a Benefactor if the minimum value of \$1,000 is directed to the Endowment Fund by outright gift or in the form of commitment by bequest, life insurance policy, life income gift, or other estate plan.
2. The principal (as valued at the time of the Endowment Fund gift) of any size is included in lifetime giving when determining a donor's eligibility for major gifts recognition.
3. Earnings from Endowment Fund gifts are not eligible for use in extending Paul Harris Fellow or Rotary Foundation Sustaining Member recognition.
4. Earnings are tracked and credited individually in the case of Endowment Fund accounts established at a value of US\$25,000 or more.

5. Earnings of unrestricted Endowment Fund units of less than US\$25,000 are credited to pooled district Endowment Fund accounts and not apportioned further among individual donors or their clubs.
6. Earnings of Endowment Fund units of less than US\$25,000 restricted to specific programs are credited to pooled accounts restricted to those programs and not apportioned further among individual donors, clubs, or districts.

The computed charitable deductions for irrevocable life income transfers are the gift values to be used in any calculation of an individual's total all-time gifts to the Foundation.

The value at the time of the gift, rather than the face value, of a life insurance policy should be used in recognizing an individual's eligibility for major gifts recognition, as well as in totaling a club's historical giving and in computing a club's total giving and per-capita giving for the current year. (*August 2020 Trustees Mtg., Dec. 14*)

51.050.7.2. Clubs

Unrestricted and restricted Endowment Fund gifts create eligibility for recognition available to clubs as follows:

1. The principal of each Endowment Fund gift, as valued at the time of the gift, is included in the computation of a club's total gifts to the Foundation, both for the year and historically over time.
2. The earnings on an Endowment Fund gift named for or by a donor no longer living (which by definition is also a fund of US\$25,000 or more), either restricted or unrestricted as to purpose, are reported annually to the appropriate club president.

(*April 2000 Trustees Mtg., Dec. 126*)

51.050.7.3. Districts

Unrestricted and restricted Endowment Fund gifts create eligibility for recognition and related credit available to districts as follows:

1. The district may receive a special certificate, signed by the chair and presented to the governor, expressing the Trustees' appreciation of that district's exemplary support for the Endowment Fund, if the district qualifies by reporting that a specified number of Benefactors have been identified or by other noteworthy accomplishments as determined by the chair of the Trustees.
2. In the event that districts are accorded recognition for total contributions raised in a given year or over a period of time, the principal of Endowment Fund gifts used in determining total gifts from each club will be included in the district totals.

3. The earnings from all Endowment Fund units of less than US\$25,000 each, if not further designated as to purpose, will pool at the district level.
4. The earnings from all Endowment Fund accounts established as the result of Endowment Fund gifts not restricted to support of a particular program or project are treated in the same manner as current general giving for purposes of the SHARE system.

(April 2000 Trustees Mtg., Dec. 126)

51.050.7.4. “Rotary’s Promise Club” Designation

A special club designation shall be created with the following specifications:

<u>Name:</u>	100% Rotary’s Promise Club
<u>Criteria:</u>	Every dues-paying member supports The Rotary Foundation’s Endowment with a minimum of \$1,000 by outright gift or commitment
<u>Award:</u>	A certificate honoring the achievement as well as a digital badge suitable for electronic or print media
<u>Timing</u>	Upon request by the club or district

(October 2022 Trustees Mtg., Dec. 7)

51.050.8. Every Rotarian, Every Year Club Banner

The Every Rotarian, Every Year club banner is awarded to clubs where every active (dues-paying) member contributes \$25 minimum, with an average of at least \$100 per capita to the Annual Fund. *(April 2016 Trustees Mtg., Dec. 108)*

51.050.9. Recognition Banner for 100% Foundation Giving Club

The 100% Foundation Giving Club banner is awarded to clubs for individual members giving to any Rotary Foundation designation if the following criteria are met:

1. every active, dues-paying member contributes at least US\$25
2. the club’s average contribution is at least US\$100.

(January 2016 Trustees Mtg., Dec. 85)

51.050.10. Guidelines for Recognizing Organizations

1. Because contributions accumulate, organizations may be recognized as they reach each successive level.
2. Contributions from organizations including corporations, corporate foundations, governments, nongovernmental organizations, universities, and research institutions totaling US\$100,000 or more that are not sponsorships, not a Rotary organization, and that are not being recognized in individual

recognition are eligible for recognition under Rotary's Recognition of Organizations. Sponsors of World Polio Day and the Rotary International Convention receive rights and benefits according to their sponsorship package and are not included in Rotary's Recognition of Organizations.

3. The levels established for Rotary's Recognition for Organizations are as follows:

Level 1: US\$100,000 - \$249,999
Level 2: US\$250,000 - \$499,999
Level 3: US\$500,000 - \$999,999
Level 4: US\$1,000,000 - \$2,499,999
Level 5: US\$2,500,000 - \$4,999,999
Level 6: US\$5,000,000 and above

4. Suggested benefits for each level are subject to negotiation with the organization.

(October 2018 Trustees Mtg., Dec. 47)

51.060.1.1. Criteria and Guidelines

The criteria and guidelines for the Polio Eradication Champion Award are as follows:

2. The award is particularly designed to be received by chiefs of state, heads of governments, parliamentary leaders, ministers of health, and senior officials of health and development aid agencies.
3. Other individuals whose service in the eradication of polio has been significant and exceptional may also be eligible. Such individuals' service may be from health science achievements, corporate or foundation support, leadership in coalitions, and partnerships in the polio eradication effort.
4. Rotarians are not eligible for the award for service performed as Rotarians. Public officials and others who incidentally are Rotarians but who are being recognized for other than Rotary service in the eradication of polio may receive the award.

(April 2000 Trustees Mtg., Dec. 126)

51.060.1.2. Endorsement and Approval

Proposals for the award are to be endorsed by the chair of the International PolioPlus Committee, and forwarded to the chair of the Trustees and the president of Rotary International for approval. (*October 2019 Trustees Mtg., Dec. 45*)

51.060.2.2. Service to be Recognized

Active personal service is required by the prospective recipient of the award. Personal financial contributions, however noteworthy, are not a basis for the award. Outstanding service in the field of advocacy, however, is not precluded as a consideration for the award. Fundraising efforts that support Rotary's PolioPlus program may be considered in the evaluation of nominees for the award. (*May 2011 Trustees Mtg., Dec. 157*)

51.060.2.3. Number and Distribution of Awards

Regional awards, with regions coinciding with the six World Health Organization (WHO) regions, for outstanding service in polio eradication, solely or primarily within the region, will be made annually, not to exceed 60. International awards for broad service to the cause of polio eradication will also be made annually, not to exceed ten individuals. A Rotarian may receive only one of each award. Prior receipt of a regional award is not a condition, nor does it preclude, consideration for the international award. (*June 2017 Trustees Mtg., Dec. 142*)

51.060.2.4. Eligible Recipients

Any Rotarian is eligible except:

- Current and incoming trustees of The Rotary Foundation, current and incoming directors of Rotary International, current members of the International PolioPlus Committee, and current and incoming district governors are not eligible to receive either of these awards.

(*October 2019 Trustees Mtg., Dec. 45*)

ARTICLE 52. SHARE SYSTEM

- 52.010.** Allocations
- 52.020.** Program Options Catalog
- 52.030.** Terminology
- 52.040.** Using SHARE District Designated Funds for PolioPlus
- 52.050.** District Designated Funds Utilization by Collaborating Districts

52.010. Allocations

The SHARE system has been adopted for the allocation of funds. The current proportion of shared funding will be 50/50 (50 per cent for the District Designated Fund and 50 percent for the World Fund). This proportion may be reviewed and adjusted periodically depending on the future needs of Rotary's Foundation. *(January 2002 Trustees Mtg., Dec. 78)*

52.020. Program Options Catalog

The SHARE costs for participation in programs to be funded from district designated funds shall be as outlined in the program options catalog. *(April 2000 Trustees Mtg., Dec. 126)*

52.030. Terminology

The terms "general giving" and "restricted giving," "World Fund," "District Designated Fund," "Special Use Fund" and "Annual Fund of the Rotary Foundation" shall be used as follows:

52.030.1. Types of Giving

There will be two types of giving: General Giving and Restricted Giving. *(April 2000 Trustees Mtg., Dec. 126)*

52.030.2. Annual Fund

A donor who makes a general gift does not specify a use for the funds

1. At the close of each fiscal year, general giving will be totaled by district
2. The general giving totals for each district will be divided into two categories, indicating the actual fund into which they will be placed: the District Designated Fund (50%) and the World Fund (50%)
3. Each district will have a District Designated Fund "account" consisting of the balance of funds available for their designation. Each time a program option is selected by the district, the corresponding required funds will be earmarked for that use and later debited from the "account"

4. Gifts to the World Fund also may be made directly. A gift by a donor in any amount may be designated 100% for the World Fund

Each fund will generate investment earnings (interest, dividends, and realized/unrealized capital gains/losses). These investment earnings will be recorded in a separate account called the “Earned Income Fund”

Together, the District Designated Fund, the World Fund, and the Earned Income Fund will constitute the General Funds of TRF. *(January 2002 Trustees Mtg., Dec. 78)*

52.030.3. Restricted Giving

Restricted Giving will be all those gifts for which special uses have been identified by the donor.

- Gifts to the Endowment Fund will be credited to that fund
- Receipts to Polio Plus will be credited to that fund
- Gifts for approved special grants will be temporarily credited to the Special Use Fund until disbursed
- Gifts for named, but not endowed, scholarships will be credited to the Special Use Fund
- A gift over US\$25,000 from a single donor who has specified a special use will be credited to the Special Use Fund and earmarked for that use
- Gifts under US\$25,000 or pooled gifts with a special use identified will be credited to the World Fund
- A gift by a donor in any amount may be designated 100% for the World Fund.

(April 2000 Trustees Mtg., Dec. 126)

District Designated Funds contributed to the Polio Eradication Campaign may be counted toward the district contribution goals. *(June 2002 Trustees Mtg., Dec. 170)*

52.040.4. Recognition Plan for DDF Contributions to PolioPlus

Certificates of appreciation will be provided to districts that annually give 20 percent or more of their available DDF to PolioPlus. Districts annually giving 20 percent or more of their DDF from 2013-14 until polio eradication is certified will be recognized on a plaque in a prominent location at RI World Headquarters. *(October 2013 Trustees Mtg., Dec. 8)*

52.050. District Designated Funds Utilization by Collaborating Districts

Districts with local projects which seek to trade or swap district designated funds which are then utilized in a global grant are not meeting the Trustee standard which states: Projects funded by The Rotary Foundation must involve the active and personal participation of Rotarians. Rotarians from both countries must actively participate in the project.

It is inappropriate and unacceptable for districts to trade or swap DDF as sponsor contributions for global grants with the purpose of simply securing funding for local projects. *(October 2012 Trustees Mtg., Dec. 16)*

Rotary will not hedge for speculative purposes.

The general secretary, through delegation to the chief financial officer, will establish internal foreign currency management procedures in accordance with this policy. 54.040.	Funding Model—Funding Sources
54.050.	Funding Model – Operations
54.060.	Reporting and Monitoring
54.070.	Review of Policy

54.010. Purpose

The purpose of the Funding Model is to support the mission of The Rotary Foundation by providing funding for operating expenses and programs and creating a mechanism for funding an operating reserve. *(January 2018 Trustees Mtg., Dec. 86)*

54.020. Objectives of this Policy

The objectives of the Funding Model are:

- To identify multiple sources of funding to pay for the Operating Expenses so that the Foundation is not reliant on any single source
- To assure that sources of funds are easily communicated to Rotarians, simple to administer, and should not deter giving
- To maintain a minimum balance in the Operating Reserve sufficient to pay the following year's operating expenses.

(January 2018 Trustees Mtg., Dec. 86)

54.030. Definitions

Annual Fund contributions support the general programs of The Rotary Foundation. Funds received are invested for three years to help generate earnings to fund the operating expenses of The Rotary Foundation. At the end of the three-year investment period, fifty percent (50%) of the contributions will be available for District Designated Funds and fifty percent (50%) will become part of the World Fund.

Annual Fund Net Investment Return include dividends, interest, realized and unrealized gains and losses, investment fees, bank fees, and internal and external expenses associated with the management of investments.

Endowment Fund Spendable Earnings is an annual distribution from an eligible endowment fund to provide funding for the programs and operations of The Rotary Foundation.

Grant Cash and Directed Gifts Contributions are funds received from Rotarians or other sources that are used in support of a Rotary Global Grant and other programs and are not subject to the three-year Annual Fund-SHARE cycle.

Operating Expenses are defined as the Foundation's fund development and general administration expenses excluding operating expenses attributed to PolioPlus activity.

Operating Reserve Target is two times the budgeted Operating Expenses for the following fiscal year.

Operating Reserve Minimum is equivalent to the budgeted Operating Expenses for the following fiscal year.

World Fund is the Annual Fund balance less the balance of the District Designated Fund and less the balance of the Operating Reserve

World Fund Target is the sum of 50% of the current and prior two years' worth of contributions to the Annual Fund – SHARE. (*October 2019 Trustees Mtg., Dec. 52*)

54.040. Funding Model - Funding Sources

Funding Model Sources include:

- Annual Fund Net Investment Return
- A portion of the Endowment Fund Spendable Earning that is approved annually by the Trustees to be used to pay operating expenses
- Up to five percent (5%) of Grant Cash Contributions sent directly to the Foundation for global grants
- Up to ten percent (10%) of contributions received from corporations and as agreed in their gift agreement

If these sources are not sufficient to pay the Operating Expenses, then the Foundation may use:

- Up to 5% of the current year contributions to the Annual Fund.
- Funds from the Operating Reserve.

The order of the use of the Funding Model Sources is further described in section 54.050 below. (*January 2018 Trustees Mtg., Dec. 86*)

54.050. Funding Model – Operations

MEASUREMENT 1

At the end of each fiscal year, the Funding Model Sources will be measured to determine if they are sufficient to fund the current year's Operating Expenses.

- If the Funding Model Sources are sufficient to fund Operating Expenses, then the current year Annual Fund contributions will remain in the Annual Fund.
- If the Funding Model Sources are not sufficient to fund Operating Expenses, then:
 - Up to 5% of the current year Annual Fund contributions will be transferred to the Operating Reserve to fund operating expenses, and if necessary
 - Funds from the Operating Reserve will then be used to pay the Operating Expenses

MEASUREMENT 2

At the end of each fiscal year, the World Fund balance is measured to determine if it is greater than the World Fund Target.

- If the World Fund balance exceeds the World Fund Target, then:
 - The amount above the target will be transferred to the Operating Reserve up to the Operating Reserve Target; and
 - If the Operating Reserve Balance is in excess of the Operating Reserve Target, the excess will stay in the World Fund.

MEASUREMENT 3

In the event the Operating Reserve balance is below the Operating Reserve Minimum at the end of the fiscal year, an amount from the World Fund will be transferred to the Reserve sufficient to bring the Reserve balance to a minimum.

Additional Operating Notes:

- Balances of less than \$1 million will not be transferred under this policy.
- Any use of the Operating Reserve assets not otherwise described in this policy is not permitted.

(April 2020 Trustees Mtg., Dec. 90)

54.060. Reporting and Monitoring

The Chief Financial Officer (CFO) is responsible for the implementation of this policy. The CFO will provide regular reports to the TRF Finance Committee on the status of the Annual Fund, the Funding Model and the Operating Reserve.

(January 2018 Trustees Mtg., Dec. 86)

54.070. Review of Policy

The Policy will be reviewed once every three years by the TRF Finance Committee, or sooner if warranted by internal or external events or changes. Proposed changes to the Policy will be reviewed by the TRF Finance Committee and recommended to the Board of Trustees. (*January 2018 Trustees Mtg., Dec. 86*)

60.010. General Guidelines

Rotary International and The Rotary Foundation actively seek to develop partnerships with other organizations that will increase our capacity to provide service. There are four types of partnerships: Strategic, Resource, Service, and Project. All potential partnerships must at a minimum do one or more of the following:

- Align with the strategic plan
- Address one or more areas of focus
- Provide opportunities for positive public image
- Attract new members, contributions, or project volunteers

Given the extreme variety among potential partners, these guidelines are not exhaustive. All potential partners shall enter into an agreement with RI/TRF, and the nature of each agreement may be different.

While Rotary and/or The Rotary Foundation may, from time to time, partner with organizations whose mission states or implies a religious orientation, results of such partnerships must not promote any particular religious entity, activity, or

viewpoint. All proposed partnerships with an organization whose mission states or implies a religious orientation will be carefully researched by staff (including financial considerations and accountability), reviewed by a Foundation Committee, and approved by the Trustees and the RI Board to ensure the proposed partnership is appropriate. Any such partnership is open to review and possible termination if analysis determines the collaboration to no longer be appropriate.

Rotary does not endorse its partners, their products or services, policies or positions. Partnership does not imply endorsement or approval of the partner's products or services, policies or positions by Rotary. A partnership does not imply any exclusive arrangement with Rotary. A partnership does not imply any grant of control or influence to the partner over the content of any Rotary activity, publication, position or policy, nor does it imply that Rotary will exert any influence to advance the partner's interests outside the particulars of the arrangements made for the joint initiative, event, or activity. Promotional materials and communications cannot include any wording or design that suggests endorsement or approval of a product or service, policy or position by Rotary.

The general secretary shall provide an annual report on all partnerships to the Board and the Trustees at their second meetings each year. (*October 2021 Trustees Mtg., Dec. 15*)

60.010.1. Criteria for Evaluation

Reviews of partnership proposals should consider the following:

- Mission, scope, geographic presence and status of potential partner, including compatibility with RI's diverse membership structure
- The number of countries or regions the potential partner serves
- Reputation of the potential partner in the Rotarian community and community at large
- Success and financial health of the potential partner
- Willingness of potential partner to make full and continuing financial and operational disclosures
- The financial impact of the relationship on RI and TRF, including administrative costs
- The potential of relationship to enhance RI's public image and recognition
- The effect of the relationship on club or district projects
- The effect of the relationship on RI/TRF programs
- Level of participation offered by the potential strategic partner to clubs and districts and the number of Rotarians likely to participate
- Disclosed conflicts of interest
- Planned recognition for RI/TRF from the potential partner

RI/TRF shall not enter into partnerships with other organizations that:

- Conflict with Rotary’s values
- Support the use of addictive or harmful products and activities
- Promote a particular political or religious viewpoint through the partnership’s activities and results
- Discriminate based on race, ethnicity, age, gender, language, religion, political opinion, sexual orientation, national or social origin, property, or birth or other status through the partnership’s activities and results (See Rotary Code section 4.010.1. for Rotary’s Statement on Diversity.)

(April 2018 Trustees Mtg., Dec. 122)

60.010.2. Benefits Provided to Other Organizations

All partners are eligible for one or more of the following services on a graduated basis, with specific benefits defined in each agreement:

- Promotion on the RI website and in The Rotarian magazine and licensed regional magazines
- Information about the organization shared with Rotarians
- Invitation to apply for booth space at the RI convention
- Invitation to attend or participate in the RI convention, based on established registration fees and guidelines
- A license to use one or more of the Rotary Marks, consistent with section 33.030.15. of the Rotary Code of Policies and/or the terms of partner’s license agreement with RI/TRF

RI/TRF will not provide partners with any of the following:

- Membership or donor data
- Support for fundraising initiatives of other organizations
- An endorsement of the other organization or its programs
- Guarantees or commitments on behalf of Rotary clubs or districts to participate or support the other organization or its programs.

(January 2019 Trustees Mtg., Dec. 65)

60.010.3. Contact with Other Organizations

No officer of Rotary International or The Rotary Foundation shall enter into any agreement on behalf of the organization unless approved by the appropriate authority and any non-approved agreement shall be null and void. The general secretary may assign responsibility for officers, staff, and other individuals to open discussions with other organizations.

The general secretary maintains a “no contact list” of individuals, foundations, corporations, governments and other entities with which Rotary International or its Foundation is working to develop relationships and obtain funding at an

international level. No representative of any Rotary Entity other than Rotary International or its Foundation shall contact or solicit any organizations on the “no contact list” for the purpose of obtaining funds or cooperation for their projects. Written requests for exceptions to this policy must be submitted to the general secretary, who will consult with the RI president and Trustee chair as appropriate, before responding to the requestor.

This should not be construed as prohibiting clubs, districts and multidistrict groups from developing partnerships with local organizations; on the contrary, they are encouraged to develop these local relationships.

Rotary does not endorse its partners, their products or services, policies or positions. Partnership does not imply endorsement or approval of the partner’s products or services, policies or positions by Rotary. A partnership does not imply any exclusive arrangement with Rotary. A partnership does not imply any grant of control or influence to the partner over the content of any Rotary activity, publication, position or policy, nor does it imply that Rotary will exert any influence to advance the partner’s interests outside the particulars of the arrangements made for the joint initiative, event, or activity. Promotional materials and communications cannot include any wording or design that suggests endorsement or approval of a product or service, policy or position by Rotary. *(April 2018 Trustees Mtg., Dec. 122)*

60.010.4. Use of RI Officers’ Titles

No current or past officer of RI shall use or permit the publication of his or her title as such officer in connection with an official position or membership in any other organization, except with the consent of the RI Board. No current or past officer of TRF shall use or permit the publication of his or her title as such officer in connection with an official position or membership in any other organization, except with the consent of the Trustees. *(April 2007 Trustees Mtg., Dec. 116)*

60.010.5. Amendment of Guidelines

To ensure a unified approach by RI and TRF to contacts and partnerships with other organizations, this amendment and subsequent amendments to the guidelines for partnerships with other organizations as set forth in sections 35.010. through 35.050. of the Rotary Code of Policies and sections 4.010. through 4.100. of The Rotary Foundation Code of Policies shall be effective only upon approval by both the Board of Directors of Rotary International and the Trustees of The Rotary Foundation. 4. Sponsor recognizes that RI (or TRF) retains control over where recognition materials are allowed to be displayed in the various venues of RI authorized meetings, RI or TRF events or publicly displayed otherwise in connection with the sponsorship, partnership or alliance.
5. Sponsor recognizes that RI (or TRF) reserves the right to pre-approve publications and other media in which Sponsor wishes to advertise using the Rotary Marks, and to approve all uses of the Rotary Marks in any materials connected with the sponsorship or partnership in any and all media, including, but not limited to, for publicity and promotional purposes. Sponsor further recognizes that each use contemplated herein will be subject to a pre-publication review and approval process by Rotary or Rotary's legal counsel. RI retains the sole right to specific denial or authorization of such use or, in the case of alteration (of copy or layout), to be mutually agreed upon by the parties.
6. Sponsor agrees that any use of its logo in any advertisement or promotional materials directly related to a sponsored Rotary event or project (including, but not limited to, recognition materials such as banners or signs) must be of equal or lesser unit size to the Rotary emblem (or other Rotary Marks, at the sole discretion of RI (or TRF), unless the Rotary emblem or other Rotary Mark is part of a repetitive background screen. RI allows for overwriting of the Rotary emblem or other Rotary Mark (watermarked, printed, screened or embossed), provided the Rotary emblem or other Rotary Mark is not otherwise partially covered and/or obstructed. RI agrees that in cases where the sponsor might wish to highlight its role in sponsoring a Rotary event or project in conjunction with its regular advertising, the Rotary emblem may be smaller than the sponsor's logo.

7. Sponsor recognizes that, without altering the provisions set out in paragraph 6, above, the Rotary Marks may not be altered, modified or obstructed but must be reproduced in their entirety. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with “Rotary” as part of the “digital and small space signature lock-up.” There should be no overlap between Sponsor's logo and the Rotary emblem or other Rotary Mark; the two images should be clearly spaced so as to be two separate and distinct images.
8. The Rotary Marks may be reproduced in any one color, but if they are to be reproduced in more than one color, they must be reproduced in their official colors royal blue and gold (PMS 286 Blue; PMS 871 Metallic Gold or PMS 129U | 130C Yellow) for the Rotary emblem and the TRF logo; information available on other Marks, as necessary.

Whenever, possible, reproductions of the Rotary Marks should be done by an RI officially licensed vendor. If the desired goods are not reasonably available from an RI licensee, a release must be obtained from the RI Licensing Section.

60.110. Public Relations Guidelines for a Pro Bono Relationship with Corporate Entities

The Board has set forth the following public relations guidelines to effectively manage a pro bono relationship with a corporate entity to safeguard the integrity and reputation of RI/TRF, while allowing public relations opportunities for all parties to the agreement.

Definition of Pro Bono Public Relations Relationship

Pro bono relationships do not involve compensation. Predetermined “out-of-pocket” costs are agreed to in advance of securing pro bono assistance. A pro bono public relations relationship involves a private communications agency supplying promotional work without compensation. In turn, RI/TRF agrees to publicize the pro bono relationship as appropriate in RI/TRF’s sole discretion.

Establishment of Relationship

When an appropriate corporate entity that may provide pro bono public relations services to RI has been identified, such entity shall be referred to the general secretary for immediate review to ensure that RI/TRF’s credibility remain intact,

and that current Rotary publicity initiatives will be enhanced. The review will include, but not be limited to, the following elements:

- Shared mission/interest: A review of the corporation's policies and positions on issues relevant to RI/TRF will be assessed to ensure that no conflict of interest exists with the Object of Rotary.
- Background search: An extensive news search of the corporation and back review of annual reports will be researched to study current and past media placements.

Upon completion of the satisfactory review, the general secretary will negotiate a pro bono agreement with the corporate entity. Terms of the agreement will include, but not be limited to, the following:

- Message development: Standing key messages exist within RI/TRF. Altering or adapting these messages must gain approval by the general secretary to deter the release of misinformation to the general public and RI membership.
- RI Spokespeople: The general secretary in consultation with the RI president and/or Trustee chair, will designate appropriate RI/TRF spokespeople for all events and interviews, a RI/TRF spokesperson must be incorporated into all media interviews, either live or by telephone. RI will approve all media interviews related to the pro bono relationship.
- Editorial Review: RI/TRF staff retains full editorial review of all material released by the corporate entity. This activity will ensure the release of factual information to the media, general public and membership audiences of the corporate entity and RI/TRF. These Guidelines do not authorize corporate entity to reproduce any of the ROTARY Marks for any purpose without the prior written, express consent of RI/TRF except as expressly set forth herein.
- Media placement: All press releases, media advisories and media placements must be reviewed by RI to ensure accuracy and proper RI/TRF mention and copies of the media placements provided to RI.
- Placement in RI/TRF publications: Efforts will be made to ensure proper recognition of the pro bono services donated by the corporate entity in Rotary publications including but not limited to: The Rotarian, Rotary Leader, and the RI website.
- Photo credit/video credit: All material provided by RI/TRF must be credited to Rotary International and include appropriate copyright information, if owned by RI. Appropriate copyright notice would be : "© 2000 Rotary International."
- RI/TRF name and logo requirements: "ROTARY," "ROTARY INTERNATIONAL," "ROTARY INTERNATIONAL and Design" (the Rotary emblem), "THE ROTARY FOUNDATION," "THE ROTARY FOUNDATION OF ROTARY INTERNATIONAL and Design" (the Rotary Foundation Logo), "TRF," among numerous other marks (collectively referred

to as the "ROTARY Marks"), are the intellectual property of RI and/or TRF. Usage of the RI/TRF name and logos will adhere to guidelines concerning reproduction of the ROTARY Marks or guidelines concerning use of the ROTARY Marks by other organizations as amended from time to time and/or any other relevant policies, guidelines, and/or decisions governing use of the ROTARY Marks, circularization, solicitation, and/or sponsorship, as promulgated by the RI Board of Directors.

Once final, the agreement will be submitted for appropriate review consistent with the RI contract review policy.

Maintenance

The general secretary, through the Public Relations Group, will provide continued monitoring of the pro bono public relations services to ensure that all elements of the approved contract are maintained to RI's satisfaction. Adjustments to or additions to key messages and media placement activities will need prior approval from the general secretary. The general secretary will update the Board of Directors on a quarterly basis on the results of the agreement.

RI/TRF retains the right to terminate the agreement at any time. (*January 2012 Trustees Mtg., Dec. 73*)

60.120. Strategic Partnerships Model

A strategic partnership is a formal relationship between TRF and another organization, such as a nongovernmental organization, corporation, or university, to facilitate Rotarian service projects.

This section provides specific concepts and characteristics about the strategic partnership model.

The Strategic Partnerships Model is focused on the strategies and vision of The Rotary Foundation, to be fully implemented in 2013-14.

The Strategic Partnerships Model has the following characteristics:

- relates specifically with TRF's areas of focus
- developed with or solicited from non-governmental organizations and other experts for each area of focus
- provides financial resources, technical expertise/resources, advocacy, or a combination thereof
- funding alternatives for Strategic Partnerships include:
 - Strategic Partner provides funding directly to The Rotary Foundation
 - both The Rotary Foundation and the strategic partner provide funding through a parallel funding model whereby both entities participate in the project

- The Rotary Foundation directly funds the strategic partner that aligns with TRF's areas of focus

The Strategic Partnerships Model should conform with the partnerships policy jointly adopted by RI and TRF. (*October 2021 Trustees Mtg., Dec. 15*)

60.130. Guidelines for Sponsorship of RI Meetings, Events, Projects and Programs

The Board, acknowledging that RI meetings, events, projects and programs are supported in part through sponsorships by business entities and governmental agencies, has adopted the following terms for acceptance of sponsorship of RI meetings, events, projects and programs:

- Sponsorships are relationships with other organizations which benefit RI, TRF, and Rotary projects(s) and Rotary program(s), in image-enhancing, promotional, monetary or other ways. Club and district events, such as conferences, PETS, etc., should be permitted to accept sponsorships; however, the Council on Legislation is not an acceptable sponsorship venue. Each sponsorship relationship should terminate either within a defined period of time or with the completion of the sponsored event. It is important to maintain the appropriate level of decorum at any Rotary event.
- RI does not endorse its sponsors, their products or services, policies or positions. Sponsorship does not imply endorsement or approval of the sponsor's products or services, policies or positions by RI. A sponsorship does not imply any exclusive arrangement with RI. A sponsorship does not imply any grant of control or influence to the sponsor over the content of any RI activity, publication, position or policy, nor does it imply that RI will exert any influence to advance the sponsor's interests outside the particulars of the arrangements made for the sponsored event or activity. Promotional materials and communications cannot include any wording or design that suggests endorsement or approval of a product or service, policy or position by RI.
- RI will not accept a sponsorship that:
 - Conflicts with Rotary's ethical and humanitarian values
 - Undermines internationally recognized standards for human rights
 - Supports the use of addictive or harmful products and activities, including but not limited to alcohol (when inappropriate in a specific cultural context), tobacco, gambling, and guns, weapons or other armaments
 - Promotes a particular political or religious viewpoint through the partnership's activities and results
 - Discriminates based on race, ethnicity, color age, gender, language, religion, political opinion, sexual orientation, national or social origin, property, or birth or other status through the partnership's activities and results (See Rotary Code section 4.010.1. for Rotary's Statement on Diversity.)

- Weakens the autonomy, independence, reputation, or financial integrity of Rotary International, The Rotary Foundation, or the specific Rotary club, district or other Rotary Entity
 - Involves any subject matter which is not in accord with the Object of Rotary
- Cultural and legal variances in business practices among nations should be identified and honored whenever possible in matters of RI meeting, event, project and program sponsorship. In realization that business practices are not universal, ethical guidelines appropriate to a given culture should be developed, published, and applied by those responsible for the solicitation and/or acceptance of RI meetings, events, projects or programs-related sponsorship.
- Any sponsorship must comply with relevant laws.
- Any sponsorship revenue or donations-in-kind (the value thereof, see paragraph 7, below) received will be subject to the terms of any agreement between RI and any local organizing entity.
- Sponsorships that would appear in revenue projections for RI meetings, events, projects or programs of necessity shall be guaranteed in writing by the intended sponsor. Moreover, such written intent shall clearly state what, if anything, the sponsor expects in return for its assistance.
- Donations-in-kind shall be considered as sponsorship to the extent of their lowest reasonable fair market financial value.
- Recognition for sponsorships shall occur--primarily during the actual meeting, event, project or program--in the form of published attribution and acknowledgment of thanks, verbal expression of gratitude, signage anywhere within meeting facilities, and to the extent that the planning committee for that meeting, event, project or program finds acceptable. In no instance, shall a sponsor name be included in the name, title or logo of any meeting, event, project or program. Sponsors of specific events or projects of Rotary may be identified in the following manner “[Rotary event or project name] presented by [sponsor’s name]”.
- All sponsorship proposals, whether obtained by RI or by a local organizing entity, shall require the approval of the general secretary in consultation with the president (when known) who presides over the convention. Such approval shall include but not be limited to the following aspects of each sponsorship proposal:
 - appropriateness of the sponsor;
 - nature of the sponsorship plan;
 - extent of the sponsorship relationship;
 - share of the sponsorship revenue between RI and any local organizing entity;
 - nature of the sponsorship recognition.

- “Official Sponsorship Designations”: The general secretary will review applications and bids for companies that will be designated “official.” For example, an “official” air carrier, and where appropriate, an “official” rental car company and other services, may receive a similar designation. Competitive firms are sought for the designations, and proposals are obtained and analyzed by the general secretary. For the air carrier, the general secretary considers not only the fare proposed but also the capacity of the carrier, the complimentary tickets and freight offered to RI.

The selection of “official” service firms should be recommended by the general secretary’s staff assigned to convention activities and approved by the general secretary and the president who will preside over the convention. Transparency in the bid process is important.

- “Exclusive Sponsorship Categories”: Unless permission from RI is sought and obtained in advance of any solicitation on the part of a local organizing entity, RI reserves exclusive rights to solicit and accept sponsorships with airline companies and banking/financial institutions, due to RI’s long term agreements and relationships with such entities.
- First aid/medical sponsorships: The specifics and details involved with a medical/first aid sponsor must be approved by the general secretary, in consultation with the president (when known) who presides over the convention, at least three months before the meeting, event, project, or program to ensure that the sponsoring organization can comply with RI’s contractual requirements, including but not limited to insurance and indemnification requirements. First aid/medical sponsors sent to the general secretary later than three months before the meeting, event, project, or program will not be considered.
- Internet sponsorships: The specifics and details involved with an internet sponsor must be approved by the general secretary, in consultation with the president (when known) who presides over the convention, at least three months before the meeting, event, project, or program to ensure that the sponsoring organization can provide the internet services RI requires at its events and also comply with RI’s contractual requirements, including but not limited to insurance and indemnification requirements. Internet sponsors sent to the general secretary later than three months before the meeting, event, project or program will not be considered.
- Each RI sponsorship relationship should terminate either within a defined period of time or with the completion of the sponsored meeting, event, project or program.
- Except by Board authorization, individual member data must not be used for sponsorship purposes and must stay within the control of RI. However, any determination to allow access to individual member data must respect the

individual rights of Rotarians, including relevant legal restrictions. All sponsorships must follow RI's Privacy Statement (Rotary Code section 26.130.)

- All uses of the Rotary Marks for the sponsorship purposes contemplated herein must be governed by the "RI and TRF Guidelines for Use of the Rotary Marks by Sponsors and Cooperating Organizations" (Rotary Code Section 33.030.14.). A copy of these Guidelines must be attached to and incorporated in any contract entered into between RI or any local organizing entity and any Sponsor.
